for well more than a century western films have embodied the united states most fundamental doctrine expansionism and depicted in a uniquely american way the archetypal battle between good and evil westerns also depict a country defined and re defined by complex crises world war ii transformed the genre as well as the nation s identity since then hollywood filmmakers have been fighting america s ideological wars onscreen by translating modern day politics into the timeless mythology of the old west this book surveys the most iconic and influential westerns examines hollywood stars and their political stripes and reveals the familiar western tropes which became elements in popular action science fiction and horror films this then sets the stage for the western revival of the 1990s and a period of reinvention in the 21st century instructors considering this book for use in a course may request an examination copy [here](#)

this fascinating work examines in detail the relationship between american politics and films from birth of a nation to fahrenheit 9 11 it provides a decade by decade survey of politics and films of all types comedies and dramas to biographies and documentaries as well as a helpful framework that students and general readers can use to analyze the political content of films the book also features an examination of film techniques as they relate to political films an exploration of the effects of real world politics on hollywood and a practical guide to writing film analysis as well as a guide to web based film resources and an extensive political filmography throughout the book the authors emphasize both the political messages transmitted through films and the political values that are reflected in them

film music in the sound era a research and information guide offers a comprehensive bibliography of scholarship on music in sound film 1927 2017 thematically organized sections cover historical studies studies of musicians and filmmakers genre studies theory and aesthetics and other key aspects of film music studies broad coverage of works from around the globe paired with robust indexes and thorough cross referencing make this research guide an invaluable tool for all scholars and students investigating the intersection of music and film this guide is published in two

volumes volume 1 histories theories and genres covers overviews historical surveys theory and criticism studies of film genres and case studies of individual films volume 2 people cultures and contexts covers individual people social and cultural studies studies of musical genre pedagogy and the industry a complete index is included in each volume

cinema studies the key concepts is an essential guide for anyone interested in film providing accessible coverage of a comprehensive range of genres movements theories and production terms this is a must have guide to a fascinating area of study and arguably the greatest art form of modern times now fully revised and updated for its fourth edition the book includes new topical entries such as cgi convergence cult cinema digital cinema post digital cinema dogme 95 movement image time image quota quickies 3 d technology

an illustrated edited collection of highly charged essays addicted presents a general historical overview of the interchange between drugs and cinema before focusing on specific genres key films such as performance trainspotting and scarface and foreign language films

more than 100 years after the first movie delighted audiences movie theaters remain the last great community centers and one of the few amusements any family can afford while countless books have been devoted to films and their stars none have attempted a truly definitive history of those magical venues that have transported moviegoers since the beginning of the last century in this stunningly illustrated book film industry insiders ross melnick and andreas fuchs take readers from the nickelodeon to the megaplex and show how changes in moviemaking and political social and technological forces e g war depression the baby boom the vcr have influenced the way we see movies archival photographs from archives like the academy of motion picture arts and sciences and movie theater ephemera postcards period ads matchbooks and even a barf bag sourced from private collections complement melnick s informative and

engaging history also included throughout the book are fuchs profiles detailing 25 classic movie theaters that have been restored and renovated and which continue to operate today each of these two page spreads is illustrated with marvelous modern photographs many taken by top architectural photographers the result is a fabulous look at one way in which americans continue to come together as a nation a timeline throughout places the developments described in a broader historical context we've had a number of beautiful books about the great movie palaces and even some individual volumes that pay tribute to surviving theaters around the country this is the first book i can recall that focuses on the survivors from coast to coast and puts them into historical context sumptuously produced in an oversized format on heavy coated paper stock this beautiful book offers a lively history of movie theaters in america an impressive array of photos and memorabilia and a heartening survey of the landmarks in our midst from the majestic fox tucson theatre in tucson arizona to the charming jewel box that is the avon in stamford connecticut i don't know why but i never tire of gazing at black white photos of marquees from the past they evoke the era of moviemaking and moviegoing i care about the most and this book is packed with them cinema treasures is indeed a treasure and a perfect gift item for the holiday season leonard maltin humble or grandiose stand alone or strung together movie theaters are places where dreams are born once upon a time they were treated with the respect they deserve in their heyday historian ross melnick and exhibitor andreas fuchs write in cinema treasures openings of new motion picture pleasure palaces that would have dazzled kubla khan received enormous attention in newspapers around the country on top of the publicity they generated their debuts were treated like the gala openings of new operas or exhibits with critics weighing in on everything from the interior and exterior design to the orchestra handsomely produced and extensively illustrated cinema treasures is detailed without being dull and thoroughly at home with this often neglected subject matter its title would have you believe it is a celebration of the golden age of movie theaters but this book is something completely different an examination of the history of movie exhibition which the authors accurately call a vastly under researched topic los

angeles times

healthcare educators with an interest in communication skills training and personal and professional development will find this guide invaluable as will undergraduate and postgraduate teachers in university and workplace settings book jacket
