in the loop a political and economic history of san antonio is the culmination of urban historian david johnson s extensive research into the development of texas s oldest city beginning with san antonio s formation more than three hundred years ago johnson lays out the factors that drove the largely uneven and unplanned distribution of resources and amenities and analyzes the demographics that transformed the city from a frontier settlement into a diverse and complex modern metropolis following the shift from military interests to more diverse industries and punctuated by evocative descriptions and historical quotations this urban biography reveals how city mayors balanced constituents push for amenities with the pull of business interests such as tourism and the military deep dives into city archives fuel the story and round out portraits of sam maverick henry b gonzales lila cockrell and other political figures johnson reveals the interplay of business interests economic attractiveness and political goals that spurred san antonio s historic tenacity and continuing growth and highlights individual agendas that influenced its development he focuses on the crucial link

between urban development and booster coalitions outlining how politicians and business owners everywhere work side by side although not necessarily together to shape the future of any metropolitan area including geographical disparities three photo galleries illustrate boosterism's impact on san antonio's public and private space and highlight its tangible results in the loop recounts each stage of san antonio's economic development with logic and care building a rich story to contextualize our understanding of the current state of the city and our notions of how an american city can form

detail's the grassroots interplay among the variety of ideologies individuals and organizations that made up the chicano movement in san antonio texas journal of american history in the mid 1960s san antonio texas was a segregated city governed by an entrenched anglo social and business elite the mexican american barrios of the west and south sides were characterized by substandard housing and experienced seasonal flooding gang warfare broke out regularly then the striking farmworkers of south texas marched through the city and set off a social movement that transformed the barrios and ultimately brought down the old anglo oligarchy in quixote's soldiers david montejano uses a wealth of previously untapped sources including the congressional papers of henry b gonzalez to present an intriguing and highly readable account of this turbulent period montejano divides the narrative into three parts in the first part he recounts how college student activists and politicized social workers mobilized barrio youth and mounted an aggressive challenge to both anglo and mexican american political elites in the second part montejano looks at the dynamic evolution of the chicano movement and the emergence of clear gender and class distinctions as women and ex gang youth struggled to gain recognition as serious political actors in the final part montejano analyzes the failures and successes of movement politics he describes the work of second generation movement organizations that made possible a new and more representative political order symbolized by the election of mayor henry cisneros in 1981 a most welcome addition to the growing literature on the chicano movement of the 1960s and 1970s pacific historical review

molecular biology of rgs proteins a volume of progress in molecular biology and translational science will include historical discussion of rgs proteins the role of rgs proteins in addiction depression and parkinson's disease and the biology and functional regulation of rgs9 isoforms this publication further discusses rgs proteins in cellular signaling protein control in lymphocyte function and alternative splicing of rgs transcripts and nuclear rgs proteins offering the latest in research of rgs proteins

implementing inequality argues that the international development industry's internal dynamics between international and national staff and among policy makers administrators and implementers shape interventions and their outcomes as much as do the external dynamics of global political economy through an ethnographic study in postwar angola the book demonstrates how the industry's internal social pressures guide development's methods and goals introducing the innovative concept of the development implementariat those in country workers largely but not exclusively local staff members charged with carrying out development's policy prescriptions the implementariat is central to the development endeavor but remains overlooked and under supported as most of its work is deeply social interactive and relational the kind of work that receives less recognition and support than it deserves at every echelon of the industry if international development is to meet its larger purpose it must first address its internal inequalities of work and professional class

analyzes the problematic trends facing america s cities and older suburbs and challenges us to put america s urban crisis back on the national agenda
