anyone browsing at the stationery store will see an incredible array of pop up cards available for any occasion the workings of pop up cards and pop up books can be remarkably intricate behind such designs lies beautiful geometry involving the intersection of circles cones and spheres the movements of linkages and other constructions the geometry can be modelled by algebraic equations whose solutions explain the dynamics for example several pop up motions rely on the intersection of three spheres a computation made every second for gps location connecting the motions of the card structures with the algebra and geometry reveals abstract mathematics performing tangible calculations beginning with the nephroid in the 19th century the mathematics of pop up design is now at the frontiers of rigid origami and algorithmic computational complexity all topics are accessible to those familiar with high school mathematics no calculus required explanations are supplemented by 140 figures and 20 animations

each of the ten different up pop mechanisms in this book is designed to fold away flat but to pop up into a geometric shape when released

the ten basic paper engineering mechanisms shown in this book have an almost explosive quality each up pop folds flat but when it is eased out of its envelope or restraining sleeve it suddenly and unexpectedly jumps into a 3 dimensional shape this element of surprise is most attractive and suggests all kinds of imaginative designs the motive power for each mechanism is provided by a single elastic rubber band with each example there are useful notes about the mechanisms and suggestions for the further development of the ideas to create original designs

super pop ups extend the element of surprise with three dimensional designs that slide turn spring and snap more than 30 patterns and 475 illustrations include cards stage props and school projects

eight strangers are invited to black island an isolated island upon their arrival they are greeted only by the butler and his wife mr and mrs rogers as they gather for dinner a gramophone suddenly accuses each of the ten individuals present including the rogerses of committing

murder amidst the ensuing panic one of the guests dies unexpectedly signaling the beginning of a nightmare
