sean might have always been a bad ass but it didn't protect his heart see things from sean's point of view for once in this prequel novella to the nicki sosebee stories nicki's going to a wedding but she needs a plus one when her boyfriend isn't able to accompany her she asks her best friend sean ramsey of course how did sean feel about her back then exactly when did he start to fall for her and for a glimpse even further into the past enjoy love and bromance a collection of vignettes featuring sean and jesse as teens becoming young men catch them in their youth as they come of age how did nicki's life become intertwined with theirs early on please note the story bad ass appeared in the limited release anthology love in a small town although this is a prequel to the nicki sosebee stories it is best enjoyed as dessert

very few things affect us more than rejection by someone we want to love us but they dont or they do but cant say it this is especially true when two people are inhibited by conservative beliefs religious fervor and the inability to follow their heart a hard and distant father can be one of those people but so can your first encounter with romantic love when she or he passes through your life and then goes away our personal convictions can become a source of conflict and pain but thats the back story to so many one sided relationships it can be exhilarating and agonizing leaving you euphoric one moment and in despair the next sean rochester leaves the safety of a small town in 1964 at the age of seventeen to earn a chance at an education he was not prepared for the real world and the harsh lessons it would teach him from the under belly of a large city and the insincerity of so called friends to dealing with street smart men and affairs of the heart his education began immediately the ebb and flow of life produces more successes than failures and ends with a mysterious visit ten months is a fast paced fiction romance story about the experiences passion ambitions and hopes of two young people everyone has a lost love maybe you will remember yours as you read this story

this volume presents personal essays that explore the effects of whiteness in the workplace both illuminating the perniciousness of whiteness and recording the downright appalling manifestations of it some contributions here describe overt discrimination and hateful acts experienced by the writers themselves while others describe how whiteness has affected colleagues clients students and friends using a combination of storytelling and scholarship the collection makes a compelling case for effecting changes in individuals who and systems that perpetuate disparities of opportunity compensation advancement and well being
