for many years hawaiian dictionary has been the definitive and authoritative work on the hawaiian language now this indispensable reference volume has been enlarged and completely revised more than 3 000 new entries have been added to the hawaiian english section bringing the total number of entries to almost 30 000 and making it the largest and most complete of any polynesian dictionary other additions and changes in this section include a method of showing stress groups to facilitate pronunciation of hawaiian words with more than three syllables indications of parts of speech current scientific names of plants use of metric measurements additional reconstructions classical origins of loan words and many

added cross references to enhance understanding of the numerous nuances of hawaiian words the english hawaiian section a complement and supplement to the hawaiian english section contains more than 12 500 entries and can serve as an index to hidden riches in the hawaiian language this new edition is more than a dictionary containing folklore poetry and ethnology it will benefit hawaiian studies for years to come

an enlarged and improved version of arabisches wèorterbuch fèur die schriftsprache der gegenwart by hans wehr and includes the contents of the supplement zum arabischen wèorterbuch fèur die schriftsprache der gegenwart and a collection of new additional material about 13 000 entries by the same author

the official records of the proceedings of the legislative council of the colony and protectorate of kenya the house of representatives of the government of kenya and the national assembly of the republic of kenya

scots the mither tongue is a classic of contemporary scottish culture and essential reading for those who care about their country s identity in the twenty first century it is a passionately written history of how the scots have come to speak the way they do and has acted as a catalyst for radical changes in attitude towards the language in this completely revised edition kay vigorously renews the social cultural and political debate on scotland s linguistic future and argues convincingly for the necessity to retain and extend scots if the nation is to hold on to its intrinsic values kay places scots in an international context comparing and contrasting it with other lesser used european languages while at home questioning the scottish executive s desire to pay anything more than lip service to this crucial part of our national identity language is central to people s existence and this vivid account celebrates the survival of scots in its various dialects its literature and song the mither tongue is a national treasure that thrives in many parts of the country and underpins the speech of everyone who calls themselves a scot
