an aba indie travel literature bestseller enjoy 120 colorful sketches that remind even the most jaded new yorkers to notice the city s simple beauties ria sim the
creator of the popular instagram account coffeecakescafe might be new york city s biggest fan she herself describes new york city as her soulmate though it
started out as just a crush when she lived in the bay area now a full time manhattan resident ria sees the best in the city she s moved by the simplicity of the
buildings against the sky a single flower on a not so clean sidewalk and the ever rotating meticulously curated decorations adorned on a brownstone in the west
village she draws everything from local landmarks like joe s pizza and the stonewall inn to strangers doorsteps and snow covered yellow cabs dear new york i love
you allows you to see new york through ria s eyes and in all seasons it s a colorful celebration a love letter and a beautiful art book all in one

over the past eight years a marked shift in the national political mood has substantially reduced the federal government s involvement in ameliorating urban
problems and enhanced the prominence of state and local governments in the domestic policy arena many states and big cities have been forced to reassess their
traditionally vexed relationships nowhere has this drama been played out more stormily than in new york in the two new yorks experts from government the
academy and the non profit sector examine aspects of an interaction that has a major impact on the performance of state and city institutions the analyses

presented here explore current state city strategies for handling such troubling policy areas as education health care and housing attention is also given to important contextual factors such as economic and demographic trends and to structural features such as the political framework relationships with the national government and the system of public finance despite its uniquely large scope the drama of the new new yorks parallels or presages issues faced by virtually all large cities and their states this unprecedented study makes a vital contribution in an era of declining federal aid and pressing urban need

examines the significant gaps between what new york state s constitution says and how the state is actually governed and offers ideas for reform on its face new york state s constitution is an elaborate and impressive aggregation of processes powers mandates and limits but many of these are inoperative and new yorkers who read the document and believe what it says will come away with a massive misunderstanding of the realities of state government the essays in new york s broken constitution seek to clarify the realities by bringing attention to the gaps between what the constitution says and how the state is actually governed and they provide a disquieting picture of the state of the state s constitution among the topics addressed are state debt and budgeting practices legislative redistricting local government gambling conservation and the process of amending the constitution written by knowledgeable professionals the chapters explain the constitutional provisions in question including the reasons for their constitutional status how they have been used and interpreted and the extent of the gaps between the constitutional provisions and practice various proposals for reform are also examined this is an impressive volume teeming with invaluable insights it presents a compelling message since many of the dysfunctions in state governance are inextricably tied to the organizational structures and policies detailed and sometimes followed sometimes disregarded in the state constitution constitutional reform is imperative anyone concerned about the operation and current dysfunction of new york state government should read this book vincent m bonventre albany law school this book will be enormously useful in guiding the public and scholarly debate in the lead up to the november 2017 vote on the question of whether to hold a state constitutional convention john j dinan author of the american state constitutional tradition

the magazine that is the city that is the world just in time for its fortieth anniversary new york magazine presents a stunning collection of some of its best and most influential articles stories that captured the spectacle the turbulence and the cultural realignments of the past four decades covering subjects from radical chic to gawker com written by some of the country s most renowned authors here are works that broke news perfectly captured the moment or set trends in motion in new york stories gloria steinem whose ms magazine was introduced in new york broaches the subject of women s liberation tom wolfe coins the me decade and steve fishman piercingly portrays the unwanted martyrdom of the 9 11 widows cutting edge features that invented terms like brat pack and grup profiles of defining cultural figures including joe namath truman capote and long shot presidential candidate bill clinton and reports that inspired the acclaimed movies saturday night fever goodfellas and grey gardens all are included in this one of a kind compilation the writers who chronicled the times that began with nixon s campaign and end with obama s are at their best in new york stories it s an irresistible anthology from a magazine that like the city itself is still making stars setting standards and going strong
