discusses how children of divorce behave as parents what adjustments they made in their lives whether or not they would divorce the role of divorced grandparents and how many grown children have attempted reconciliation with their parents paper edition 139 x 14 95 annotation copyrighted by book news inc portland or

the divorced parent dispels the myth that the one parent home has to be a broken one marriage and family counselor stephanie marston offers expert guidance for raising happy healthy children in a divorced home by providing parents with step by step strategies for making their families secure stable and nurturing

if you re in a troubled marriage divorce might seem like a reasonable option but in most cases it s a calamity shows like bravo s girlfriends guide to divorce and hbo s divorce normalize the dissolution of marriage making couples feel that divorce can be a happy new beginning celebrities suggest a norm that divorce is not only acceptable but advisable gwyneth paltrow s conscious uncoupling makes divorce seem trendy and enlightened today couples are even throwing divorce parties complete with invitations and caterers enough says psychologist diane medved if you re hurtling down the road to divorce the first thing to do is to put on the brakes don t let your spouse your friends or the divorce industry rush you into ending your marriage take a deep breath and read this book drawing on three decades of clinical and personal experience dr medved will show why you should save and revitalize your marriage she expertly unmasks the threats to marriage including hookup apps that promise non committal sex and legions of professionals who are financially invested in your divorce she punctures one by one the arguments in favor of divorce proving that the good divorce is a myth don t divorce is the antidote to a pro divorce culture the tool that will empower you to revive a dying marriage and recover the happiness that seems out of reach

many books deal with divorce and its aftermath some deal with the impact of divorce on children and families others with the legal or sociological aspects of divorce and a few focus on divorced mothers and fathers most of these books are characterized by their practical orientation toward the issues and problems posed by divorce none of these however have attempted to offer an integrated view of the massive amount of theoretical and research literature on divorced adults and their children in addition none present a comprehensive view of divorce as a psychological process within its

larger social context filling that void this book offers a comprehensive view of divorce as a social interpersonal and psychological phenomenon reviews the theory and research on divorce focusing on the major protagonists of the divorce drama the mother the father and the children and introduces a social psychological theory of divorce process

disturbing the nest assesses the future of the family as an institution through an historical and comparative analysis of the nature causes and social implications of family change in advanced western societies such as the united states new zealand and switzerland by focusing on the one society in which family decline is found to be the greatest sweden the founding of the modern swedish welfare state was based in large part on the belief that it was necessary for the state to intervene in society in order to improve the situation of the family of great concern was the low birthrate which was seen as a threat to the very survival of swedes as a national population group the social democrats pioneered welfare measures that aimed to strengthen the family to alleviate its worst trials and tribulations and to make possible harmonious living with the social democrats remaining in power continuously until 1976 a period of almost forty five years sweden went on to implement governmental family policies that are among the most comprehensive and expensive in the world in view of this major policy goal of family improvement the actual situation of the swedish family today presents a genuine irony some have claimed that swedish welfare state policies have had consequences that are the opposite of those originally intended comparing contemporary swedish family patterns with those of other advanced nations one finds a very high family dissolution rate probably the highest in the western world and a high percentage of single parent female headed families even marriage seems to have fallen increasingly out of favor with sweden having the lowest marriage rate and latest age of first marriage and the highest rate of children born out of wedlock the early pronatalist aspirations of the swedish government have been spectacularly unsuccessful as sweden continues to have one of the world's lowest birthrates and smallest average family sizes

the experience of married life in different eras

while the formal definition of divorce may be concise and straightforward legal termination of a marital union dissolving bonds of matrimony between parties the effects are anything but particularly when children are involved the americans for divorce reform estimates that 40 or possibly even 50 percent of marriages will end in divorce if current trends continue outside the u s divorce rates have markedly increased across developed countries divorce and its effects are a significant social factor in our culture and others it might be said that a whole divorce industry has been constructed with divorce lawyers and mediators family counselors support groups etc as king henry viii's divorces showed divorce has not always been easy or accepted in some countries divorce is not permitted and even in europe countries such as spain italy portugal and the republic of ireland legalized divorce only in the latter quarter of the 20th century this multi disciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and the family to anthropology social and legal history developmental and clinical psychology and religion all through a lens of cultural sociology features 550 signed entries a to z fill 3 volumes 1 500 pages in print and electronic formats offering the most detailed reference work available on issues related to divorce both in the u s and globally cross references and further readings guide readers to additional resources a chronology provides students with context via a historical perspective of divorce in the electronic version the comprehensive index combines with cross references and thematic reader's guide themes to provide convenient search and browse capabilities for state and nation entries uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations appendices provide further annotated sources of data and statistics

what is the real legacy of divorce to answer this question constance ahrons ph d interviewed one hundred and seventy three grown children whose divorcing parents she had interviewed twenty years earlier for her landmark study the basis of which was the highly acclaimed book the good divorce what she has learned is both heartening and significant challenging the stereotype that children of divorce are emotionally troubled drug abusing academically challenged and otherwise failing dr ahrons reveals that most children can and do adapt and that many even thrive in the face of family change although divorce is never easy for any family she shows that it does not have to destroy children's lives or lead to a family breakdown with the insight of these grown children and the advice of this gifted family therapist divorcing parents will find helpful road maps identifying both the benefits and the harms to which postdivorce children are exposed and ultimately what they can do to maintain family bonds
