beat the odds with a bold strategy from mckinsey company every once in a while a genuinely fresh approach to business strategy appears legendary business professor richard rumelt ucla mckinsey company s newest most definitive and most irreverent book on strategy which thousands of executives are already using is a must read for all c suite executives looking to create winning corporate strategies strategy beyond the hockey stick is spearheading an empirical revolution in the field of strategy based on an extensive analysis of the key factors that drove the long term performance of thousands of global

companies the book offers a ground breaking formula that enables you to objectively assess your strategy's real odds of future success this book is fundamental the principles laid out here with compelling data are a great way around the social pitfalls in strategy development frans van houten ceo royal philips n v the authors have discovered that over a 10 year period just 1 in 12 companies manage to jump from the middle tier of corporate performance where 60 of companies reside making very little economic profit to the top quintile where 90 of global economic profit is made this movement does not happen by magic it depends on your company's current position the trends it faces and the big moves you make to give it the strongest chance of vaulting over the competition this is not another strategy framework rather strategy beyond the hockey stick shows through empirical analysis and the experiences of dozens of companies that have successfully made multiple big moves that to dramatically improve performance you have to overcome incrementalism and corporate inertia a different kind of book i couldn't put it down inspiring new insights on the facts of what it takes to move a company's performance combined with practical advice on how to deal with real life dynamics in management teams jane fraser ceo citigroup latin america

this dissertation is an ethnographic study of black gay male students who attend berkeley high school bhs an urban high school in northern california and investigates how race gender and sexuality affect their marginalization the primary question guiding the investigation is whether where how and with what consequences extracurricular activities marginalize black gay male students at bhs the theoretical framework of the study builds upon the concept of marginalization introduced by cathy cohen's provocative book boundaries of blackness 1999 which examines institutional forms of marginalization in aids organizations and the black press the impetus of this dissertation study was research on race and sex segregation in extracurricular activities conducted during the 1996 1997 academic year under the auspices of the diversity project a school university collaborative action research project at bhs subsequent ethnographic research was conducted on intersections of race gender and sexuality in two extracurricular activities project 10 the social support group for queer students and the afro haitian dance program ahdp which is part of one of the nation's only african american studies department housed in a public high school four black gay male students serve as focal students in the data analysis their experiences highlight how cross cutting issues of race gender and

sexuality marginalize black gay male students within indigenous extracurricular activities that were established to serve the needs of queer students and black students respectively furthermore their experiences reflect how responses to marginalization attempts to make space in the institutional structure of bhs through subversive performances of identity the notion of making space reveals the sutured dynamics of multiple categories of identity and the dialectical relationship between the performance of identity and the structure of schools in conclusion queering the marginalization of black male students helps us rethink the troubles facing black males in urban schools and challenges us to develop intervention strategies that improve the educational outcomes of black male students while simultaneously working to dismantle sexism and heterosexism leaves 1 2
