discussing the role of fortune telling in society ronald h isaacs an american rabbi and author opined since time immemorial humans have longed to learn that which the future holds for them thus in ancient civilization and even today with fortune telling as a true profession humankind continues to be curious about its future both out of sheer curiosity as well as out of desire to better prepare for it this complete guide to the mystic arts includes everything from crystal gazing and reading tea leaves to tarot astrology divining with precious stones oracles and more line drawings and dozens of charts provide hours of entertainment and enlightenment

the greatest tragedy of human life is not death it is the unnoticed unchallenged and unbroken sleep of ignorance death is a natural event an inevitable turning of the cosmic wheel but ignorance is not nature s law it is our surrender to blindness our

refusal to awaken this discussion the sleep of ignorance deeper than death is not written to create fear of mortality but to remind us of a far subtler danger living without awareness we are born with eyes yet we seldom see with ears yet we seldom listen with a heart yet we rarely feel its truth in such a state we walk through life half asleep alive in body but absent in spirit the reflections ahead are meant as a mirror not a sermon they urge us to ask am i truly awake or am i merely existing they invite us to notice the symptoms of ignorance within our own daily choices the compromises the reactions the silent slavery to desire fear and social approval awakening is not an extraordinary achievement reserved for saints it is the simple act of reclaiming our own consciousness the first step is to recognize the depth of our sleep only then can life become more than survival only then can it be truly lived this work is a call to awaken not tomorrow not after death but here and now
