since the first day after the tragedy was announced controversy has surrounded the death of rap and cultural icon tupac shakur in this work preeminent researcher on the topic john potash puts forward his own theories of the events leading up to and following

the murder in this meticulously researched and exhaustive account of the story never before has there been such a detailed and shocking analysis of the untimely death of one of the greatest musicians of the modern era the fbi war on tupac shakur contains a wealth of names dates and events detailing the use of unscrupulous tactics by the federal bureau of investigation against a generation of leftist political leaders and musicians based on twelve years of research and including extensive footnotes sources include over 100 interviews foia released cia and fbi documents court transcripts and mainstream media outlets beginning with the birth of the civil rights movement in america potash illustrates the ways in which the fbi and the united states government conspired to take down and dismantle the various burgeoning activist and revolutionary groups forming at the time from martin luther king jr to malcolm x to fred hampton the methods used to thwart their progress can be seen repeated again and again in the 80s and 90s against later revolutionary groups musicians and most notably tupac shakur buckle up for this winding shocking and unbelievable tale as john potash reveals the dark underbelly of our government and their treatment of some of our most beloved black icons

in the spring of 1868 people from several ojibwe villages located along the upper mississippi river were relocated to a new reservation at white earth more than 100 miles to the west in many public declarations that accompanied their forced migration these people appeared to embrace the move as well as their conversion to christianity and the new agrarian lifestyle imposed on them beneath this surface piety and apparent acceptance of change however lay deep and bitter political divisions that were to define fundamental struggles that shaped ojibwe society for several generations in order to reveal the nature and extent of this struggle for legitimacy and authority to be the main leaders of our people reconstructs the political and social history of these minnesota ojibwe communities between the years 1825 and 1898 ojibwe political concerns the thoughts and actions of ojibwe political leaders and the operation of the ojibwe political system define the work s focus kugel examines this particular period of time because of its significance to contemporary ojibwe history the year 1825 for instance marked the beginning of a formal alliance with the united states 1898 represented not an end but a striking point of continuity defying the easy categorizations of native peoples made by non indians especially in the closing years of the nineteenth century in this volume the ojibwe speak for themselves as their words were recorded by government officials christian missionaries fur traders soldiers lumbermen homesteaders and journalists while they were nearly always recorded in english translation ojibwe thoughts perceptions concerns and even humor clearly emerge to be the main leaders of our people expands the parameters of how oral traditions can be used in historical writing and sheds new light on a complex but critical series of events in ongoing relations between native

and non native people

anyone living or working in a city has feared or experienced street crime at one time or another whether it be a mugging purse snatching or a more violent crime in the u s street crime has recently hovered near historic lows hence the declaration of certain analysts that street life in america has never been safer but is it really street crime has changed over past decades especially with the advent of surveillance cameras in public places the territory of the street criminal but at the same time criminals have found ways to adapt this encyclopedic reference focuses primarily on urban lifestyle and its associated crimes ranging from burglary to drug peddling to murder to new more sophisticated forms of street crime and scams this traditional a to z reference has significant coverage of police and courts and other criminal justice sub disciplines while also featuring thematic articles on the sociology of street crime features benefits 175 signed entries within a single volume in print and electronic formats provide in depth coverage to the topic of street crime in america cross references and suggestions for further readings guide readers to additional resources entries are supported by vivid photos and illustrations to better bring the material alive a thematic reader s guide groups related entries by broad topic areas and within the electronic version combines with cross references and a detailed index for convenient search and browse capabilities a chronology provides readers with a historical perspective of street crime in america appendices provide sources of data and statistics annotated to highlight their relevance

native southerners lived in vibrant societies rich in tradition and cultural sophistication for thousands of years before the arrival of european colonization in the sixteenth and seventeenth centuries over the ensuing centuries native southerners adapted to the presence of europeans endeavouring to incorporate them into their social cultural and economic structures however by the end of the american revolutionary war indigenous communities in the american south found themselves fighting for their survival this collection chronicles those fights revealing how native southerners grappled with colonial legal and political pressure discussing how indigenous leaders navigated the politics of forced removal and showing the enduring strength of native americans who evaded removal and remained in the south to rebuild communities during the latter half of the nineteenth century this book was originally published as a special issue of american nineteenth century history

even in the face of internal disputes between cattlemen and hay cutters the people of fort hall found innovative ways such as participation in new religious experiences cultural redefinition and regular community gatherings to manage the contradictions that stemmed from market integration heaton tells how the shoshone bannocks made a meaningful choice between productive

commerce and a more typical reliance on subsistence and wage labor their leaders found new ways to unite disparate bands and kin groups to resist attempts to open reservation land to exploitation by non indians and through careful land cessions they were able to obtain the capital needed to develop reservation resources themselves

i m ivy lane and lately my life has been suspiciously free of faerie related drama but there s a storm coming now the lords of faerie know i have their magic what they don t know is that i killed a powerful faerie and might just have doomed both our worlds in the process with hellhounds camping out in my garden and a dark uprising amongst the half faeries something bad is on the move in faerie the evil that rose to destroy our world twenty years ago is back after all in the place where the faerie realm meets the spirit world nothing truly dies book 6 in the changeling chronicles urban fantasy series if you love twisty plots fast paced action and magical found family you won t want to miss this epic urban fantasy series for fans of keri arthur melissa f olson and rachel rener

ds jaswinder singh is only just hanging on to his job when a piece of dull routine work in dagenham where a clue hangs tantalisingly in the air turns into a race against time to catch a group of dangerous paedophiles there are young lives at stake and only jazz and his crew ds boomer dc ashiv kumar and mad pete are daring enough to poke a stick into this hornet s nest upon discovering that high powered individuals whose influence has made them untouchable are involved with a paedophile ring jazz has his work cut out to hunt down these men that the government are trying to protect as the murderous group are slowly uncovered the detectives find themselves hunted by their own police force and mi5 sugar and spice follows jazz as he fearlessly walks into trouble careless for his crew s wellbeing this third book in the singhing detective series uses dark humour to relieve the tension created by the dramatic climaxes and tells a story of hard work loyalty and cunning inspired by the work of agatha christie robert graves and clive cussler m c dutton s topical novel will appeal to fans of her previous books which have also been enjoyed by members of the police force

of the 10 000 indians forced across the mississippi into eastern kansas before the middle of the 19th century a few have managed to walk the thin line between resistance to white culture and absorption into it herring an archivist with the national archive and records administration tells the story of those who are still indians and still in kansas
