when they initiated a war on drugs in 1979 iran developed a reputation as having some of the world s harshest drug penalties and as an opponent of efforts to reform global drug policy as mass incarceration failed to stem the growth of drug use iran shifted its policies in 1990 to introduce treatment regimens that focus on rehabilitation while most muslim countries and some western states still do not espouse welfare oriented measures iran has established several harm reduction centers nationwide through the welfare system for those who use substances in doing so iran moved from labeling drug users as criminals to patients in life on drugs in iran anaraki moves beyond these labels to explore the lived experience of those who use and have used illicit substances and the challenges they face as a result of the state s shifting policies gaining remarkable access to a community that has largely been ignored by researchers anaraki chronicles the lives of current and former substance users in prisons treatment centers and ngos in each setting individuals are criminalized medicalized and marginalized as the system attempts to normalize them without addressing the root cause of the problem drawing upon first hand accounts anaraki s groundbreaking study takes an essential step in humanizing people with substance abuse issues in iran

in 2017 late tanzanian president john magufuli publicly declared a war on drug users in tanzania an unprecedented change in policy in a country leading harm reduction initiatives in east africa in the fall of 2018 dane degenstein traveled to dar es salaam to learn about these policy changes from those directly impacted the war on drugs in tanzania prohibition and punishment examines the impact of crackdowns on people who use drugs and the impact of policy changes that curtail progressive and humane approaches to improving services for drug users degenstein explores how the tanzanian government sidelined donors and ngos undertook a project that directly impinged on human rights and produced narratives contributing to

a global war on drugs using the case study of tanzania degenstein draws out larger lessons on the continued international commitment to the war on drugs how old ideologies that see drug users as criminals and failures continue to be produced and how the war on drugs erases the perspectives of drug users themselves focusing on the experiences of drug activists themselves the author argues for a radical rethinking of global drug policy

now in its sixth edition living with drugs continues to be a well respected and indispensable reference tool michael gossop has updated this new edition to take account of new laws and practices that have come in to place since the previous edition published in 2000 written in an accessible style and providing a balanced perspective the book is ideal for non specialists in training such as student nurses and social workers and for anyone with an interest in this complex ever present and emotive issue
