the government set out its new approach to regeneration in regeneration to enable growth what government is doing in support of community led regeneration dclg but the document gives the committee little confidence that the government has a clear strategy for addressing the country's regeneration needs it lacks strategic direction and is unclear about the nature of the problem it is trying to solve it focuses overwhelmingly upon the achievement of economic growth giving little emphasis to the specific issues faced by deprived communities and areas of market failure the proposed measures are unlikely to bring in sufficient resources funding for regeneration has been reduced dramatically and disproportionately over the past two years and unless alternative sources can be found there is a risk of problems being stored up for the future also lacking is a strategy for attracting private sector investment and the document gives too much prominence to changes to the planning system and does not acknowledge the benefits effective planning has brought to regeneration the financial and economic climate has impacted dramatically upon regeneration but the withdrawal of housing market renewal funding in particular has created significant problems leaving many residents trapped in half abandoned streets the committee suggests a number of measures that could as part of a wider approach contribute to stimulating regeneration and incentivising private sector involvement the government should now produce a national regeneration strategy which sets out a coherent approach to tackling deprivation and market failure in the country's most disadvantaged areas

this book is a comprehensive text that covers the important components of macro social work practice including research community and organization development social action and planning and administrative tasks it contains chapters on social problems leadership problem solving and ethics the text considers macro social work to be the heart of authentic social work practice by having the goal of making our society healthier more ethical and just brueggemann argues that in order for this to be accomplished social work needs to concentrate on restoring and rejuvenating the community a cherished and crucial social system future oriented the practice of macro social work challenges students to exercise critical judgement ask questions critique existing theories and examine the direction that social work is taking
