hip hop is remarkably self critical as a genre in lyrics rappers continue to debate the definition of hip hop and question where the line between underground artist and mainstream crossover is drawn who owns the culture and who runs the industry and most importantly how to remain true to the culture s roots while also seeking fame and fortune the tension between the desires to preserve hip hop s original culture and to create commercially successful music promotes a lyrical war of words between mainstream and underground artists that keeps hip hop very much alive today in response to criticisms that hip hop has suffered or died in its transition to the mainstream this book seeks to highlight and examine the ongoing dialogue among rap artists whose work describes their own careers proclamations of hip hop s death have flooded the airwaves the issue may have reached its boiling point in nas s 2006 album hip hop is dead nas s album is driven by nostalgia for a mythically pure moment in hip hop s history when the music was motivated by artistic passion instead of base commercialism in the course of this same album however nas

himself brags about making money for his particular record label these and similar contradictions are emblematic of the complex forces underlying the dialogue that keeps hip hop a vital element of our culture is hip hop dead seeks to illuminate the origins of hip hop nostalgia and examine how artists maintain control of their music and culture in the face of corporate record companies government censorship and the standardization of the rap image many hip hop artists both mainstream and underground use their lyrics to engage in a complex dialogue about rhyme skills versus record sales and commercialism versus culture this ongoing dialogue invigorates hip hop and provides a common ground upon which we can reconsider many of the developments in the industry over the past 20 years building from black traditions that value knowledge gained from personal experience rappers emphasize the importance of street knowledge and its role in forging a career in the music business lyrics adopt models of the self made man narrative yet reject the trajectories of white americans like benjamin franklin who espoused values of prudence diligence and delayed gratification hip hop s narratives instead promote a more immediately viable gratification through crime and extend this criminal mentality to their work in the music business through the lens of hip hop and the threats to hip hop culture author mickey hess is able to confront a range of important issues including race class criminality authenticity the media and personal identity

winner of iaspm s 2005 international book award based on ten years of research among hip hop producers making beats was the first work of scholarship to explore the goals methods and values of a surprisingly insular community focusing on a variety of subjects from hip hop artists pedagogical methods to the afrodiasporic roots of the sampling process to the social significance of digging for rare records joseph g schloss examines the way hip hop artists have managed to create a form of expression that reflects their creative aspirations moral beliefs political values and cultural realities this second edition of the book includes a new foreword by jeff chang and a new afterword by the author

while much attention has been paid to the lifestyles of successful hip hop artists very little attention has been paid to what they did to achieve their success for the first time ever the code has been broken in the 10 traits of successful hip hop artists rapper producer blueprint breaks down the ten traits behind some of the most successful artists in hip hop and explains how to develop those same traits

when kendrick lamar won the 2018 pulitzer prize for his album damn critics announced that the award represented a belated acknowledgement of the cultural importance of hip hop as a genre the articles in this volume ranging from music reviews to profiles show the lives and careers of prominent hip hop artists including the controversies of kanye west and the successes of drake the impact of these artists can be felt in the spheres of fashion art literature and politics as well as in every sphere of music

the hip hop movement began with a party in 1973 musicians dancers and artists were a part of the hip hop movement the birth of hip hop explores the history of this movement and its importance today easy to read text vivid images and helpful back matter give readers a clear look at this subject features include a table of contents infographics a glossary additional resources and an index aligned to common core standards and correlated to state standards core library is an imprint of abdo publishing a division of abdo

masculinity and hip hop are two topics that have been gaining wide attention in recent years however research has often been limited to solely criticizing the hip hop movement and examining the culture from a very parochial outsider s perspective an in depth study of the relationship between hip hop and black masculinity with commentary from the very men who are affected by it is missing from the academia it is with this thought that i have written my book i wish to give a voice to those who have not yet been heard from to examine and bring to light the damaging as well as positive affects that hip hop has on black men by talking to every day black men themselves and to show that the hip hop phenomenon can be used as a great political tool for mobilizing this generation this book examines stereotypical definitions of black manhood and looks at how specific images and lyrics in hip hop promote these stereotypes i discuss how young black men often growing up without fathers look to the males in hip hop as role models i argue that negative aspects of hip hop are really affecting young black men and that artists need to be more conscious of their impact and role in the black community i also discuss many positive hip hop artists and music and that conscious hip hop is kept underground intentionally by corporations i have integrated a case study throughout the book where i interviewed young black men on ideas of masculinity education and hip hop i end by discussing the positive in hip hop and by giving examples of how it can be taken so much farther especially to connect the young urban community with politics and social awareness

an npr best book of the year without god save the queens it is possible that the contributions of dozens of important female hip hop artists who have sold tens of millions of albums starred in monumental films and influenced the direction of the culture would continue to go unrecognized allhiphop com can t stop won t stop meets girls to the front in this essential and long overdue history of hip hop s female pioneers and its enduring stars every history of hip hop previously published from jeff chang s can t stop won t stop to shea serrano s the rap yearbook focuses primarily on men glaringly omitting a thorough and respectful examination of the presence and contribution of the genre s female artists for far too long women in hip hop have been relegated to the shadows viewed as the designated first lady thrown a contract a pawn in some beef or even worse but as kathy iandoli makes clear the reality is very different today hip hop is dominated by successful women such as cardi b and nicki minaj yet there are scores of female artists whose influence continues to resonate god save the queens pays tribute to the women of hip hop from the early work of roxanne shante to hitmakers like queen latifah and missy elliot to the superstars of today exploring issues of gender money sexuality violence body image feuds objectification and more god save the queens is an important and monumental work of music journalism that

at last gives these influential female artists the respect they have long deserved
