springdale ohio is a middle class town nestled in southwestern ohio just outside of cincinnati it s a quiet sleepy town which has a secret in the early 1920 s a man named michael westerly moved into this old house on deadman s bluff overlooking a graveyard but there was a reason mr westerly chose this spot he was into voodoo and trying to make zombies out of the townsfolk but when the townsfolk got wind of this they tried to drive him out of town and ultimately they lynched him but mr westerly got his revenge and 100 years later the town of springdale ohio was the epicenter of a conspiracy that brought mr westerly s threats to fruition now the townspeople including the smith family who moved into town in the summer of 2025 to flee for their lives in the ensuing zombie apocalypse can the smiths and the townspeople of springdale survive the nightmare that they find themselves in or be swallowed up by the curse of deadman s bluff

on july 8 2014 israel launched air strikes on hamas controlled gaza followed by a ground invasion the ensuing fifty one days of war left more than 2 200 people dead the vast majority of whom were palestinian civilians including over 500 children during the assault at least 10 000 homes were destroyed and according to the united nations nearly 300 000 palestinians were displaced max blumenthal was in gaza and throughout israel palestine during what he argues was an entirely avoidable catastrophe in this explosive work of intimate reportage blumenthal reveals the harrowing conditions and cynical deceptions that led to the ruinous war and tells the human stories blumenthal brings the battles in gaza to life detailing the ferocious clashes that took place when israel s military invaded the besieged strip he radically shifts the discussion around a number of highly contentious issues the use of civilians as human shields by israeli forces the arbitrary targeting of palestinian civilians and the radicalization of israeli public officials and top military personnel amid the rubble of gaza s border regions

blumenthal recorded the testimonies from scores of residents documenting potential war crimes committed by the israeli armed forces while carefully examining the military doctrine that led to them more than a chronicle of war and devastation the 51 day war is an urgent warning that the aftermath of the conflict has made another military assault on gaza almost inevitable and while the people of gaza will once again prove their resilience the world can no longer just stand aside and watch

during the civil rights era atlanta thought of itself as the city too busy to hate a rare place in the south where the races lived and thrived together over the course of the 1960s and 1970s however so many whites fled the city for the suburbs that atlanta earned a new nickname the city too busy moving to hate in this reappraisal of racial politics in modern america kevin kruse explains the causes and consequences of white flight in atlanta and elsewhere seeking to understand segregationists on their own terms white flight moves past simple stereotypes to explore the meaning of white resistance in the end kruse finds that segregationist resistance which failed to stop the civil rights movement nevertheless managed to preserve the world of segregation and even perfect it in subtler and stronger forms challenging the conventional wisdom that white flight meant nothing more than a literal movement of whites to the suburbs this book argues that it represented a more important transformation in the political ideology of those involved in a provocative revision of postwar american history kruse demonstrates that traditional elements of modern conservatism such as hostility to the federal government and faith in free enterprise underwent important transformations during the postwar struggle over segregation likewise white resistance gave birth to several new conservative causes like the tax revolt tuition vouchers and privatization of public services tracing the journey of southern conservatives from white supremacy to white suburbia kruse locates the origins of modern american politics some images inside the book are unavailable due to digital copyright restrictions

this report is based largely on site visits to armenia azerbaijan and nagorno karabakh in september 1993 by the united states committee for refugees uscr it concentrates on the humanitarian toll taken by the conflict since it began in 1988 in the hope of creating a balanced understanding of the results of the violence which will in turn stimulate material assistance to the needy and foster peace nagorno karabakh is seen as epitomizing the conflict between two opposing principles of international law the notion of self determination versus the inviolability of borders a detailed history of the conflict is offered both in the text and in a useful chronological table of events the report proceeds with an analysis of the humanitarian needs associated with the conflict pointing out that tens of thousands of refugees and displaced persons are at grave risk the presence of large numbers of uprooted people in armenia and azerbaijan is thought to contribute to hypernationalism in both countries the study concludes that the intervention of an outside force is unlikely because the international community has already shown its willingness to tolerate massive human rights abuses including ethnic cleansing provided the abuses remain localised as they are in this case both the conflicting parties however need to be held accountable for violations of humanitarian law in war and basic human rights standards

the u s response is criticized for favouring armenia in this regard taking no position on the territorial dispute uscr urges the conflicting sides to stop using force in particular to stop forcibly displacing civilians urgent provision for the newly uprooted is sought in a series of recommendations addressed to the leaders of azerbaijan armenia nagorno karabakh and the u s government
