when gina was deported to tijuana mexico in 2011 she left behind her parents siblings and children all of whom are u s citizens despite having once had a green card gina was removed from the only country she had ever known in deported americans legal scholar and former public defender beth c caldwell tells gina s story alongside those of dozens of other dreamers who are among the hundreds of thousands who have been deported to mexico in recent years many of them had lawful status held green cards or served in the u s military now they have been banished many with no hope of lawfully returning having interviewed over one hundred deportees and their families caldwell traces deportation s long term consequences such as depression drug use and homelessness on both sides of the border showing how u s deportation law systematically fails to protect the rights of immigrants and their families caldwell challenges traditional notions of what it means to be an american and recommends legislative and judicial reforms to mitigate the injustices suffered by the millions of u s citizens affected by deportation

a sequel to the groundbreaking children of the holocaust where she came from is a daughter s memoir of her mother s family drawing on her journalistic training helen epstein demonstrates how documentary research can unearth family history and bridge the historical chasm of the shoah this book is at once a memoir a family history and a social history of central european jews of the 19th and 20th centuries the three generations of women she portrays are dressmakers the fashion salon a refuge and a rare institution where women could speak what we so coldly call acculturation is a major theme of helen epstein s rich and absorbing new book where she came from in the guise of a family memoir she brilliantly evokes jewish life in the czech lands epstein is unsparing in her examination of the trials of transplantation and unlike many family biographers who are in thrall to their characters she steps out of the frame to observe herself ruth gay new york times book review in epstein s expert and sensitive hands truth becomes not only stranger than fiction but more magnetic wise and powerful gloria steinem helen epstein s literary pilgrimage to her past will enrich our quest for memory and understanding written with her superb talent of storytelling her tale is profoundly human elie wiesel

latino generation voices of the new america

a compelling saga of mothers and daughters survival and striving women family and culture that will resonate with all americans who have immigrant roots this fascinating book takes a new and

different look at the immigrant experience of asian americans through the voice of her chinese mother the author examines perennial themes of separation loss guilt and bicultural identity in the lives of immigrant families grounded in a historical context that spans events of more than a century world war ii mccarthyism civil rights the women s movement this volume uses oral history to show how families rely upon myth and legend as they adjust to a new culture illustrates how strong cultural and intergenerational bonds can both support and oppress chinese american families uses asian mythology and symbols to understand the psyche of chinese americans and their immigration experience illustrating the contrasting world views of asian and western culture provides strategies for coping with the immigration experience for use by counselors and other professionals

honorable mention the international photography awards 2024 book category documentation through photographs and interviews of those who survived the unique nazi ghetto camp located at terezín czech republic dennis carlyle darling has photographed and interviewed holocaust survivors who spent time at the german transit camp and ghetto at terezín a fourteenth century military garrison located north of prague many of the prisoners were kept there until they could be transported to auschwitz or other camps but unlike german captives elsewhere they were allowed to participate in creative activities that the nazis used for propaganda purposes to show the world how well they were treating jews although it was not classified as a death camp more than 33 000 prisoners died at terezín from hunger disease and mistreatment in borrowed time darling reveals terezín as a place of painful contradictions through striking and intimate portraits that retrace time and place with his subjects the last remnants of those who survived the experience returning to sites of painful memories with his interview subjects to photograph them darling respectfully depicts these survivors and tells their stories

a mother s love by janice kaiser released on sep 24 1995 is available now for purchase

the events of 2016 catapulted immigration policy to the forefront of public debate and donald trump s administration has signaled a harsh turn in enforcement yet the deportation detention and border control policies that north american and european countries have embraced are by no means new in this book sociologists david c brotherton and philip kretsedemas bring together an interdisciplinary group of contributors to reconsider the immigration policies of the obama era and

beyond in terms of a decades long age of punishment immigration policy in the age of punishment takes a critical interdisciplinary and transnational look at current issues surrounding immigration in the u s and abroad it examines key features of this age of punishment connecting neoliberal governance global labor markets and the national obsession with securing borders to explain critical research and theory on immigration enforcement contributors document the continuities between presidential administrations and across countries from many perspectives with chapters discussing canada australia france the uk the dominican republic and mexico in addition to the u s they offer macro level analyses of deportations and border enforcement analyses of national policy and jurisprudence and ethnographic accounts of the daily life experience of the prison to deportation pipeline the making of deportability and post deportation transitions for noncitizens this book highlights new directions in critical immigration policy and enforcement and deportation studies with the aim of problematizing the age of punishment that currently reigns over borders and those who seek to cross them
