why do rap mcs present their studio recorded lyrics as live and direct why do they so insistently define abilities or actions theirs or someone else s against a pre existing signifier this book examines the compositional practice of rap lyricists and offers compelling answers to these questions through a 40 year span analysis of the music it argues that whether through the privileging of chanted call and response phrases or through rhetorical strategies meant to assist in getting one s listening audience open the focus of the first rap mcs on community building and successful performer audience cooperation has remained prevalent on rap records with lyrics and production techniques encouraging the listener to become physically and emotionally involved in recorded performances relating rap s rhetorical strategy of posing inferences through intertextuality to early call and response routines and crowd controlling techniques this study emphasizes how the dynamic and collective elements from the stage performances and battles of the formative years of rap have remained relevant in the creative process behind this music it contends that the customary use of identifiable references and similes by rap lyricists works as a fluid interchange designed to keep the listener involved in the performance like call and response in live performances it involves a dynamic form of communication and places mcs in a position where they activate the shared knowledge of their audience making sure that they know what they mean thus transforming their mediated lyrics into a collective and engaging performance

this unique volume explores the relationship between music and crime in its various forms and expressions bringing together two areas rarely discussed in the same contexts and combining them through the tools offered by cultural criminology contributors discuss a range of topics from how songs and artists draw on criminality as inspiration to how musical expression fulfills unexpected functions such as building deviant subcultures encouraging social movements or carrying messages of protest comprised of contributions from an international cohort of scholars

the book is categorized into five parts the criminalization of music music and violence organised crime and music music genocide and crimes against humanity and music as resistance spanning a range of cultures and time periods crime and music will be of interest to researchers in critical and cultural criminology the history of music anthropology ethnology and sociology

sponsored by the communication information technologies and media sociology section of the american sociological association citams this volume in emerald studies in media and communications features social science research on criminality policing and mass media in the digital age

popular music history collides with data analytics charts and numbers in this insightful and surprising look at the greatest hits and musicians fads forgotten artists and much more data analyst and musician chris dalla riva reframes everything you thought you knew about music did you know that hit songs in the late 1950s were regularly about gruesome death that a us vice president wrote a number one hit that while tiktok has spawned countless hits it s made artists more anonymous than ever before that pop songs have shaped race relations in the united states that the key change died around 2003 and that s just the beginning coupling hard data with engaging anecdotes uncharted territory is both a takedown and celebration of popular music and provides new ways to think about your favorite songs genres and artists from the last 6 decades using unexpected statistics and playful visualizations this entertaining history is filled with the most popular musicians of all time from the beatles and the bee gees to michael jackson mariah carey and beyond whether you danced the twist or the dougie at your senior prom you re sure to never listen to music again in the same way

for the culture hip hop and the fight for social justice documents and analyzes the ways in which hip hop music artists scholars and activists have discussed promoted and supported social justice challenges worldwide drawing from diverse approaches and methods the contributors in this volume demonstrate that rap music can positively influence political behavior and fight to change social injustices and then zoom in on artists whose work has accomplished these ends the volume explores topics including education and pedagogy the black lives matter movement the politics of crime punishment and mass incarceration electoral politics gender and sexuality and the global struggle for social justice ultimately the

book argues that hip hop is much more than a musical genre or cultural form hip hop is a resistance mechanism

the story of tekashi 6ix9ine one of the most controversial figures in all of hip hop history dummy boy tells the tale his meteoric rise to fame in tracing danny tekashi 6ix9ine hernandez s life from bushwick to the heights of the rap scene complex reporter shawn setaro illuminates the story of the young rapper who forged an alliance with a notorious street gang to bolster his image and boost his internet clout before long tekashi s antics and affiliations caught up with him leading to a major police investigation that tore apart his team and saw him squarely behind bars facing a life in prison a thrilling true crime narrative set in the contemporary hip hop world dummy boy draws on dozens of exclusive interviews with collaborators associates and witnesses to provide a detailed account of the most beguiling and intriguing story in modern music more than a biography dummy boy is an american crime story a critical examination of internet trolling in the trump era and an exploration of the long running connection between rap gangs and police in new york city
