it is a guide to a loving and healthy life and world we all want to have this kind of life physically and spiritually so we should know the true laws that guide us to achieve the life and evolvment god meant for us to have universal spiritual laws usl are the unbreakable god given laws that created and govern both realms of our existence this book presents the primary usl love and numerous secondary laws that all directly relate to the primary law over many generations unfortunately mankind has replaced god s usl with their own self serving controlling ego and greed based laws leaving the world in the condition it is today the usl were given to me by

a highly evolved goddess of motherhood mercy and compassion quan yin see depiction on back cover through an ordained minister and a very evolved and gifted certified medium rev beverly burdick carey the spiritual source by passes the human negative thinking ego and desire for power and control and gives only truth your thoughts words and deeds whether positive or negative cannot escape usl and determine our physical and spiritual life and evolvment which is our purpose here on earth since we create our own life s path follow the usl in a positive way to avoid having to repeat needed life lessons and speed your evolvment and have a more ideal life how you follow the usl is your choice it is also extremely important to know and understand that we are all a part of god not apart from god and god is all and love good health is very important in life and with forty years of medical and spiritual study and practice i have learned that our life s path and health are created by our own thoughts words deeds and beliefs therefore i chose to briefly cover the healing aspects of each usl to help you improve your health and healing use the knowledge wisdom and truths given to me that comprises this book to better your physical and spiritual evolvment healing and life you can summarize this book in three words unconditional love and truth but you need to learn study and follow the usl to spiritually evolve and benefit from them know the truth and truth will set you free keep an open mind and heart and start with small steps and i wish you love and light

smart women understand that taking care of their health is essential to maintaining an active lifestyle this comprehensive guide shows you how to work with your body instead of against it to stay healthy and happy through menopause and beyond written by two practicing doctors who have been close girlfriends since they met during medical training at the johns hopkins hospital the smart woman s guide to midlife and beyond includes the doctors own personal experiences patient stories from their medical practices and all the information you need to age with good health grace and humor includes the information you need to care for your whole body to prevent common diseases learn which health issues are normal which are serious and what to do about them overcome memory loss depression and anxiety understand menopause and hormone replacement therapy nourish and protect your skin and hair choose the right vitamin supplements for you find out whether or not treatments like massage and acupuncture will work for you know when to share your concerns with your doctor or healthcare practitioner create a personal health maintenance schedule to keep your health on track the smart woman s guide to midlife and beyond is a complete holistic and state of the art road map for any woman who is motivated to become a more effective steward of her health the authors relaxed personal and insightful style makes critical health information accessible this book is a must have for any woman inspired to improve her health trajectory mark c pettus md facp medical director of the kripalu institute for integrated healing and author of it s all in your head there is no doubt that women past the age of fifty have different health issues than younger women a fact often overlooked by
