as usa today the nation s no 1 newspaper puts it anyone who has followed jay z s career knows
that the superstar born shawn corey carter has long defied anyone who tried to pigeonhole him
he left behind the dangerous life of a drug dealer and became one of the biggest names in
music he then achieved success as a businessman an activist and an author while staying true
to the spirit of hip hop raised in brooklyn new york jay z grew up in a household full of music
lovers after hearing people rap for the first time he also discovered the creative fire within
himself he began to make up rhymes nonstop and made his way from financial hardship to the
throne of a music empire

i took personal pride in composing this book on personal branding with a purpose of reaching
entrepreneurs who are interested in enhancing their personal self image in parallel with the
image of their businesses for working professionals who are on the fast track up the corporate
ladder and may wish to gain an edge on the competition and for college students who are
preparing for a professional life after their academic journey personal branding is not new but
has become increasingly important for many professionals in recent years who seek a
competitive advantage over their counterparts to stand out and be noticed among a plethora of
talented candidates this is even more imperative now than a few years ago as we are faced
with 10 national unemployment with over 7 million workers laid off since the recession began
back in december 2007 in some u s cities unemployment is over 50 with the unemployment
rate in some states exceeding the national rate with so many professionals out of work fighting
to get re employed in a job and career commensurate with their skills and education the task
has become increasingly challenging leaving many unemployed individuals hopeless while
confronted with life changing decisions trying to stand out and be recognized in a dense pool of
qualified candidates is not as easy as it may have been in the past with companies directing
millions of candidates to their websites on which to post resumes and create lengthy and time

intensive profiles the job search has become a faceless and mundane process with very little success and with increased frustration to many who continue to sink into an abyss of debt and personal despair with this situation looming those out of work professionals will have to think outside the box on how to get noticed be recognized and make a positive impression on recruiters and hiring managers constantly searching for suitable talent candidates will have to market and promote themselves as a brand a successful personal image that translates quality success integrity impressiveness reliability and bringing value to the company of their interest personal branding will ensure that companies identify you with the strength and true worth in what they look for when considering candidates for those who are fortunate to still be employed personal branding is just as important to achieving success in the work place companies are constantly looking for ways to trim the fat and become lean in their operations hence operational efficiency is their ultimate goal akin to this effort of process improvement is doing more with less which often influences the elimination of human labor this occurs when companies experience a reduction in profits have less retained earnings to expand operations and invest in growing the business and realizing diminishing returned value to their shareholders oftentimes workers must be let go if they are determined to be part of non producing or non revenue generating functions of the organization or if they themselves are perceived to be adding little value to the organization if a company believes it can do without you it will let you go in a layoff or downsizing it is not a personal matter but a business decision that companies large or small are confronted with on a constant basis it is all about the bottom line and keeping the doors open working professionals have to determine how they are identified by their companies how strong is your personal brand and how valuable are you to your employer what differentiates you from your peers that make you stand out what type of impression are you making on your company are there any weaknesses that you have to strengthen these are some of the questions that you must honestly ask yourself and answer performing an honest assessment on your personal brand will capture the things that make you valuable to your employer while at the

record contracts have been the goal of aspiring musicians but are they still important in the era of soundcloud musicians in the united states still seem to think so flocking to auditions for the voice and idol brands or paying to perform at record label showcases in the hopes of landing a deal the belief that signing a record contract will almost infallibly lead to some measure of success the ideology of getting signed as ardití defines it is alive and well though streaming social media and viral content have turned the recording industry upside down in one sense the record contract and its mythos still persist getting signed provides a critical analysis of musicians contract aspirations as a cultural phenomenon that reproduces modes of power and economic exploitation no matter how radical the route to contract working at the intersection of marxist sociology cultural sociology critical theory and media studies ardití unfolds how the ideology of getting signed penetrated an industry created a mythos of guaranteed success and persists in an era when power is being redefined in the light of digital technologies

a revealing biography of kanye west explores the artist and the man kanye west is a star his music has jumped from sensation to staple in the rap industry while his personality his philosophies and his willingness to speak out for what he believes in regularly place him at the center of controversy kanye west a biography traces the star s life from his birth through the present day to paint a detailed picture of the artist and the man raised by a single mother who was an english professor in chicago west admits he came from the wrong side of the mall rather than the wrong side of the tracks his name his style and the way he conducts his business are unique his thoughtful reflections in interviews reveal a complex man few have taken the time to understand this biography looks at that multifaceted star exploring his career as singer and producer but also looking at the forces that prepared him to chase his dreams

and chase off anyone who stood in his way
