writing for harper s magazine and the new yorker over the last decade david samuels has penned a disillusioned love song to the often amusing and sometimes fatal american habit of self delusion reporting from a landscape peopled by salesmen dreamers radical environmentalists suburban hip hop stars demolition experts aging baseball legends billionaire crackpots and dog track bettors whose heartbreaking failures and occasional successes are illuminated by flashes of anger and humor including profiles of

disillusioned pacific northwest radicals and nevada nuclear test site workers alongside coverage of pentagon press conferences and the super bowl in detroit only love can break your heart proves samuels to be a wonderful inheritor of the great journalistic tradition established by gay talese tom wolfe and joan didion in the 1960s this first collection of his painstakingly reported and wildly inventive writing reveals the full spectrum of his talents as well as an unusual sensitivity to both the tragic and comic dissonances bubbling up from the gap between the american promise of endless nirvana and the lives of ordinary citizens who struggle to live out their dreams

the runner tells the remarkable true story of a teenage drifter and petty thief named james hogue who woke up one cold winter morning in a storage shed in utah and decided to start his life anew re imagining himself as a self educated ranch hand named alexi indris santana who read plato under the stars and could run a mile in under four minutes hogue applied and was accepted to princeton university where he excelled academically made the track team and became a member of the elite ivy club echoing both the great gatsby and the talented mr ripley the story of hogue s life before and after he went to princeton is both an immensely affecting portrait of a dreamer and a striking indictment of the ivy league meritocracy to which hogue wanted so badly to belong drawing elegant parallels between hogue s ambitions and the american myth of self invention while also examining his own uneasy identification with his troubled subject david samuels has fashioned a powerful metaphor for the corruptions of the american dream revealing exceptional gifts as a reporter and literary stylist

mexican new york offers an intimate view of globalization as it is lived by mexican immigrants their children in new york in mexico
