every year millions of children across the country get arrested what most adults do not know is that the juvenile justice system has become much more punitive in the last fifteen

years no longer is juvenile court a place where regardless of what happens you get a clean slate when you turn eighteen today almost every adjudication of delinquency is accompanied by adult style fingerprinting prior record score points and dna tests that can stay in a state repository for years for every stage of the justice system from arrest to expungement when kids get arrested gives top tips to help adults make the best choices to protect children from long term negative consequences sandra simkins provides straight answers to common questions such as should i let my child talk to the police without a lawyer how can i help my child succeed on probation should my child admit to the charges or take the case to trial how will this case impact my child s future will it prevent him from getting a job or going into the army my child has mental health issues can the juvenile justice system help my daughter is out of control should i call the police my son got arrested at school and is now suspended what should i do next simkins takes complicated legal concepts and breaks them down into easy to understand guidelines she includes information on topics such as police interrogation detention hearings and bail along with state by state specifics when kids get arrested is a perfect resource for parents social workers guidance counselors teachers principals coaches and anyone else who works with children

produced with childrenlaw uk formerly the british juvenile and family courts society this is the definitive collection of contributions from experts about how and why children kill other people including a special focus on the notorious mary bell and bulger cases including from leading international author gita sereny

especially evident in victorian era writings is a rhetorical tendency to liken adults to children and children to adults claudia nelson examines this literary phenomenon and explores the ways in which writers discussed the child adult relationship during this period though far from ubiquitous the terms child woman child man and old fashioned child appear often enough in victorian writings to prompt critical questions about the motivations and meanings of such generational border crossings nelson carefully considers the use of these terms and connects invocations of age inversion to developments in post darwinian scientific thinking and attitudes about gender roles social class sexuality power and economic mobility she brilliantly analyzes canonical works of charles dickens charlotte bront william makepeace thackeray bram stoker and robert louis stevenson alongside lesser known writings to demonstrate the diversity of literary age inversion and its profound influence on victorian culture by considering the full context of victorian age inversion precocious children and childish adults illuminates the complicated pattern of anxiety and desire that creates such ambiguity in the writings of the time scholars of victorian literature and culture as well as readers interested in children s literature childhood studies and gender studies will welcome this excellent work from a major figure in the field
