the second issue of the ahab comes out under the title of art and the sacred ritual and religious objects today classified as art were once not claimed as such clearly artworks that were intended for religious services were not created on purely aesthetic grounds they were not intended to be art works per se nevertheless academic practice and discourse has treated them primarily as art even though the word sacred is placed before the word art in these discourses in today s scholarship the proliferation of anthropological research vividly indicates the tensions that exist between art and what is considered sacred

a smithsonian best history book of 2019 sparkling genevieve valentine npr kristen richardson traces the social seasons of debutantes on both sides of the atlantic sharing their stories in their own words through diaries letters and interviews conducted at contemporary balls richardson takes the reader from georgian england to colonial philadelphia from the antebellum south and wharton s new york to the reimagined rituals of african american communities originally conceived as a way to wed daughters to suitable men debutante rituals have adapted and evolved as marriage and women s lives have changed an inquiry into the ritual s enduring cultural significance the season also reveals the complex emotional world of the girls at its center whose every move was scrutinized and judged and on whose backs family fortunes rested

the esteem in which satyr drama was held in antiquity still arouses curiosity and controversy twelve new papers generated in north america by a distinguished cast of scholars explore questions central to the genre how did satyr drama relate to comedy and tragedy how closely was it tied to its tragic trilogy how did the athenians react to pro satyric drama such as the alcestis how far did satyr plays reflect contemporary political life fresh conclusions are adduced from the fragments particularly those of aeschylus and there is special study of euripides cyclops not least for its possible reflection of the fifth century sophists

if personal and national identity is often constructed in terms of place how do our identities and values change as places themselves are transformed what happens to the spaces in which we live as societal values and identities change these questions can be asked of almost any discipline whether one is taking a photograph or mapping a literary topography tracing linguistic change in a geographic region or language’s importance to our conception of a political territory building a house or place of worship on a physical plot of land or constructing them from words on a page or computer software few places are ever uniquely our own we share them knowing that the geographic points stabilizing our own identities serve on their reverse side to support an entirely different set of meanings we project our cultural or disciplinary markers onto landscapes which are already hardly blank but full of others’s meanings this collection brings together scholars from a range of disciplines including literary and cultural studies history political science architecture anthropology photography and art history communications sociology lexicography linguistics tourism management and theoretical psychoanalysis each shedding light on how place is both a transforming subject and a transformed object

celebrity colonialism brings together studies on an array of personalities movements and events from the colonial era to the present and explores the intersection of discourses formations and institutions that condition celebrity in colonial and postcolonial cultures across nineteen chapters it examines the entanglements of fame and power fame in colonial and postcolonial settings each chapter demonstrates the sometimes highly ambivalent roles played by famous personalities as endorsements and apologists for antagonists and challengers of colonial imperial and postcolonial institutions and practices and each in their way provides an insight into the complex set of meanings implied by novel term ‘celebrity colonialism’ the contributions to this collection demonstrate that celebrity provides a powerful lens for examining the nexus of discourses institutions and practices associated with the dynamics of appropriation domination resistance and reconciliation that characterize colonial and postcolonial cultural politics taken together the contributions to celebrity colonialism argue that the examination of celebrity promises to enrich our understanding of what colonialism was and more significantly what it has become
