piano vocal guitar artist songbook 16 of the best known songs from this grammy award winning disco star including bad girls dim all the lights heaven knows hot stuff i feel love last dance love to love you baby macarthur park no more tears enough is enough on the radio she works hard for the money stamp your feet state of independence this time i know it s for real unconditional love the wanderer includes bio

donna summer seemingly rose from nowhere to become the queen of disco in the seventies she recorded the sexy song that could only be played after midnight love to love you baby and became an overnight success there was a smoldering sexuality about donna summer that the record companies constantly tried to exploit but donna just wanted to be a simple god fearing girl her life was not without its trials but donna was at the top of her game in the seventies and the eighties when disco fell out of favor she switched to a more rock and roll format and just kept going winner of grammys and american music awards she hit the top 40 twenty times she had several number one hits like the iconic macarthur park bad girls and hot stuff all the legends of rock roll books are essentially biographies but i am interested primarily in the music you ll find that the emphasis is on the music how it came to be who wrote it and performed it and any juicy tidbits about any given song or album if you re a fan of donna summer or of disco or enjoy the music of the seventies and eighties scroll up and buy now you will enjoy it

contradicting assumptions that disco albums are shallow and packed with filler donna summer s double album once upon a time stands out as a piece that delivers on its promise of an immaculately crafted journey from start to finish a new interpretation of the cinderella story it is set in the then contemporary world of new york disco and takes the listener on a journey from urban isolation and deep despair to joy and vindication all filtered through the mind of its naïve and fantasy prone protagonist as well as charting the production of the album within the legendary munich machine in germany this book digs deep into the album s rich themes and subtexts approaching the book from inventive angles the four essays within the book act as a prism connecting the reader to the classical aspirations of eurodisco the history of the black fairy tale and a queer knowledge that reads summer s cinderella tale in some surprising ways

disco superstar donna summer was a musical icon and an inspiration worldwide this account of her career will delight fans and prove that the one time queen of disco music had evolved into an all round artist who used her incredible talents to get to the top and stay there for four decades

when it comes to earthshaking songs the ones that signal a tectonic shift in the current musical landscape there is johnny b goode there is good vibrations and there is i feel love a disco touchstone recorded by donna summer in 1976 and released on her fifth studio album i remember yesterday in 1977 i feel love is one of the most important records in music history and one of the most influential i feel love topped charts the world over including in the uk australia france italy and the netherlands and was in the top 10 everywhere else this record brian eno told david bowie as they worked together in the recording studio is going to change the sound of club music for the next fifteen years which said bowie was more or less right except fifteen years was an under estimation even now more than forty years after its release i feel love is routinely featured toward the top of manifold greatest song top 100s and remains a favorite by music fans and artists alike with dozens of cover versions paying homage that is the tale

this book tells not only the story of the song but also the story of its all pervading impact upon the world of popular music firsthand experiences and original interviews with a host of musicians disc jockeys and dancers loudly illustrate the record s initial impact and its continuing influence i feel love still sounds like the future

this one is for music lovers this entry in the findagroov reviews the songs of series examines the music of the late queen of disco donna summer covering all of her recorded songs from the late sixties up until her passing in 2012 this book provides deep discussions on each song looking at the lyrics the song s meaning and its significance both when originally recorded and how it applies to today s society it also illustrates how donna summer was much more than just a disco queen as her music ran the gamut from soul funk off broadway german rock pop country new wave reggae rock gospel soundtrack and of course disco the book also covers guest appearances on other artists songs as well as live recordings broadcast performances and other rarities
