in cancel culture alan dershowitz new york times bestselling author and one of america s most respected legal scholars makes an argument for free speech due process and restraint against the often overeager impulse to completely cancel individuals and institutions at the ever changing whims of social media driven crowds alan dershowitz has been called one of the most prominent and consistent defenders of civil liberties in america by politico and the nation s most peripatetic civil liberties lawyer and one of its most distinguished defenders of individual rights by newsweek yet he has come under intense criticism for his steadfast and consistent championing of those same principles and his famed shoe on the other foot test to those who have been cancelled for any number of faults both real and imagined cancel culture is a defense of due process free speech and even handedness in the application of judgment it makes the case for restraint and care in decisions about whom and what to cancel boycott deplatform and bar from public life and offers recommendations for when why and to what degree these steps may be appropriate as long as objective fair minded criteria can be determined and met while dershowitz argues against the worst excesses of cancel culture the rush to judgment and the devastating results it can have on those who may be innocent the power of social media to effect punishment without a thorough examination of evidence the idea that historical events can be viewed through the same lens as actions in the present day he also

acknowledges that its defenders ostensibly try to use it to create meaningful positive change and notes that cancelling may itself be a constitutionally protected form of free speech in the end cancel culture represents an icon in the defense of free speech and due process reckoning with the greatest challenge and threat to these rights since the rise of mccarthyism it is essential reading for anyone interested in or concerned about cancel culture its effects on our society and its significance in a greater historical and political context

bilingualism across the lifespan examines the dynamics of bilingual language processing over time from the perspectives of neurolinguistics psycholinguistics and sociolinguistics this multidisciplinary approach is fundamental to an understanding of how the bilingual s two or more language systems interact with each other and with other higher cognitive systems neurological substrates and social systems a central theme of this volume contributors examine the nature of bilingualism during various phases of the lifecycle childhood adulthood and old age and in various health pathology conditions topics range from code separation in the young bilingual child across various types of language pathologies in adult bilinguals to language choice problems in dementia the volume thus offers a broad overview of current theoretical and empirical approaches to the study of bilingualism it will interest and stimulate researchers and graduate students in the fields of linguistics neuropsychology and developmental psychology as well as in foreign language teaching speech pathology educational psychology and special education

from the days of steamship travel to palestine to today s evangelical christian tours of jesus s birthplace the relationship between the united states and the holy land has become one of the world s most consequential international alliances while the political side of u s israeli relations has long played out on the world stage the relationship as shalom goldman shows in this illuminating cultural history has also played out on actual stages telling the stories of the american superstars of pop and high culture who journeyed to israel to perform lecture and rivet fans goldman chronicles how the creative class has both expressed and influenced the american relationship with israel the galaxy of stars who have made headlines for their trips includes frank sinatra johnny cash leonard bernstein james baldwin barbra streisand whitney houston madonna and scarlett johansson while diverse socially and politically they all served as prisms for the evolution of u s israeli relations as israel the darling of the political and cultural left in the 1950s and early 1960s turned into the darling of the political right from the late 1970s today as relations between the two nations have only intensified stars must consider highly fraught issues such as cultural boycotts in planning their itineraries

from award winning writer sarah schulman a longtime social activist and outspoken critic of the israeli war on gaza comes a brilliant examination of the inherent psychological and social challenges to solidarity movements and what that means for the future for those who seek to combat injustice solidarity with the oppressed is one of the highest ideals yet it does not come without complication in this searing yet uplifting book award winning writer and cultural critic sarah schulman delves into the intricate and often misunderstood concept of solidarity to provide a new vision for what it means to engage in this work and why it matters to grapple with solidarity schulman writes we must recognize its inherent fantasies those being oppressed

dream of relief that a bystander will intervene though it may not seem to be in their immediate interest to do so and that the oppressor will be called out and punished those standing in solidarity with the oppressed are occluded by a different fantasy that their intervention is effective that it will not cost them and that they will be rewarded with friendship and thanks neither is always the case and yet in order to realize our full potential as human beings in relation with others we must continue to pursue action towards these shared goals within this framework schulman examines a range of case studies from the fight for abortion rights in post franco spain to nyc s aids activism in the 1990s to the current wave of campus protest movements against israel s war on gaza and her own experience growing up as a queer female artist in male dominated culture industries drawing parallels between queer palestinian feminist and artistic struggles for justice schulman challenges the traditional notion of solidarity as a simple union of equals arguing that in today s world of globalized power structures true solidarity requires the collaboration of bystanders and conflicted perpetrators with the excluded and oppressed that action comes at a cost and is not always effective and yet without it we sentence ourselves to a world without progressive change towards visions of liberation by turns challenging inspiring pragmatic and poetic the fantasy and necessity of solidarity provides a much needed path for how we can work together to create a more just more equitable present and future

from their gigs in tiny church halls to multimillion selling albums the dark side of the moon wish you were here and the rock opera the wall and elaborate stadium shows this tome celebrates legendary rock band pink floyd lavishly illustrated with previously unpublished photographs and rare graphic memorabilia including posters advertisements handbills and tickets from every era of the band s remarkable history this survey provides a comprehensive overview of the group its members and the times in addition to a biographical account of the band s collective and individual careers from their pre floyd times in the early 1960s to the present day and their music s evolution from psychedelic and space rock to progressive rock genres this definitive reference presents a meticulously researched chronological listing of every pink floyd and solo concert with set lists radio and television appearances and a uk and u s discography
