an essential guide for black americans to understanding the criminal justice system and why it continues to see black men as targets and as dollar signs justice while black is a must read for every young black male in america and for everyone else who cares about their survival and well being the book provides practical straightforward advice on how to deal with specific legal situations the threat of arrest being arrested being in custody preparing for and undergoing a trial and navigating the appeals and parole process the primary goal of this book is to become a primer for african americans on how to avoid becoming ensnared in the criminal justice system while the precarious safety of black males has received renewed interest in the past year because of the deaths of young men like daunte wright and ryan leroux the fact is that this group has always been under threat from the armed guardians of the white social order the tactics have been modernized but the impact is still devastating we are witnessing an epic criminalization of the african american community at levels never before seen since the end of slavery

this book enters as a corrective to the tendency to trivialize and mis appropriate african american language practices the word ratchet has entered into a wider whiter american discourse the same way that many words in african american english have through hip hop and social media generally ratchet refers to behaviors and cultural expressions of black people that sit outside of normative middle class respectable codes of conduct ratchet can function both as a tool for critiquing bad black behavior and as a tool for resisting the notion that there are such things as good and bad behavior in the first place this book takes seriously the way ratchet operates in the everyday lives of middle class and upwardly mobile black queer women in washington dc who because of their sexuality are situated outside of the norms of black respectability the book introduces the concept of ratchet boogie cultural politics which draws from a rich body of black intellectual traditions which interrogate the debates concerning what is and is not acceptable black middle class behavior placing issues of non normative sexuality at the center of the conversation about notions of propriety within normative modes of black middle class behavior this book discusses what it means for black queer women s bodies to be present within ratchet boogie cultural projects asking what black queer women s increasing visibility does for the everyday experiences of black queer people more broadly

new york times bestseller the billion dollar hollywood producer provides a master mentorship by sharing secrets to success honed from working with the biggest stars in the world as kevin hart says of working with will packer i became a student and learned from the way he was moving the man helped me grow and gave me the knowledge whether you re just starting out or ready to make a major move who better than you is a wildly entertaining roadmap to being successful in an unpredictable world featuring behind the scenes hollywood lessons empowering guidance and indispensable encouragement from stomp the yard to ride along to girls trip and many more will packer s films have collectively grossed more than 1 billion at the box office with ten opening at number one to outsiders the unabashed confidence that has driven him since his college days when he was trying to sell

a micro budget indie film may look like arrogance to packer that s just what it took to make it on his own terms with who better than you packer has created the success toolkit he wished he d had back then filled with illuminating and laugh out loud stories as well as practical advice such as 1 be arrogant the highest achieving people have healthy arrogance superior confidence not only in themselves and their abilities but also in their predestined success you too can unlock this level of confidence 2 convince people your goals are essential and vital it is crucial to assure others that your success benefits both you and them 3 it s the work you put in when nobody s watching that makes everyone pay attention later no single person on the planet is more deserving of achieving their wildest dreams than you but it will never happen until you act accordingly in every aspect of your life it s time for you to start producing your own blockbuster life by first believing there is no one more worthy of it than you
