through most of the 20th century the distinction between the fictional narrative film and the

documentary was vigorously maintained the documentary tradition developed side by side with but in the shadow of the more commercially successful feature film in the latter part of the century however the two forms merged on occasion and mockumentaries fictional works in a documentary format and docudramas reality based works in a fictional format became part of the film and television landscape the 18 essays here examine the relationships between narrative fiction films and documentary filmmaking focusing on how each influenced the other and how the two were merged in such diverse films and shows as citizen kane m a s h this is spinal tap and destination moon topics include the docudrama in early cinema the industrial film as faux documentary the fear evoked in 1950s science fiction films the selling of reality in mockumentaries and reality television and documentary forms the essays provide a foundation for significant rethinking of film history and criticism offering the first significant discussion of two emerging and increasingly important genres instructors considering this book for use in a course may request an examination copy here

some of the hottest writers of the 90 s shared a subversive aesthetic sensibility avant pop that drew on the forms images slogans characters and narrative archetypes of our multidimensional information dense culture cartoons films music videos advertising and rock music to explore and critically examine that culture each of these thirty two works delves into the deeper metaphorical implications of this pop cultural imagery to convey a turn toward overstimulation and hyper consumption in american life and to explore issues of personality and identity this provocative stylistically experimental work is truly literature for the twenty first century

watched religiously every week by more than 32 1 million young americans ages 12 34 mtv has changed the face of music and television the popular beavis and butt head books and the real real world have all been mainstays on the new york times bestseller list with now what mtv offers a guide to living in the real world covering everything from getting a job to signing an apartment lease

this is a print on demand book and is therefore non returnable the authors offer an insightful analysis of the symbiotic relationship between the popular entertainment industry and america s youth suggest principles for evaluating popular art and entertainment and propose strategies for rebuilding strong local cultures in the face of global media giants

a glorious celebration of life in drag through the eyes of our most prominent drag superstars featuring a diverse range of artists from across australia with stunning photographs and stories about being as fierce as a drag queen both on and off the stage written and curated by the iconic art simone this anthology is a visual feast for the eyes for all fans of drag cultivating authenticity and championing utter fabulousness

there have been few brands that have made such a massive impact on the world stage in such a relatively short time frame as mtv it is a household name and virtually all young people regardless of whether they have access to television have heard of it it is a name associated with youth and music and all areas in which the two are involved it has dominated the market space in the category of music television since its inception and looks like it will continue to do so in the foreseeable future this book is not so much a tribute to mtv although it deserves as much but an analysis of how the mtv brand has been built global brands do not just arrive by accident they are carefully and strategically built to match the needs of their target markets they evolve with those target markets as lifestyles wants needs attitudes opinions interests and many other factors come and go in addition global brands successfully manage the differences across countries and cultures mtv has managed to do all of these things with startling consistency another attribute of great brands that stand the test of time what is more intriguing is that it has done all this in one of the most turbulent times ever experienced in consumer markets particularly in asia where change is endemic

like the real world mtv s road rules is one of its most popular shows like the real real world the totally cool new york times bestselling tie in to the show road trips features previously unpublished diary entries kept by each cast member during his or her trip paired with intimate photographs of life on the road

on the life and contribution of eminent conservationists from nepal who lost their lives on september 23 2006 in a helicopter crash published in memory of these people
