the nearly forgotten story of the fight against the american plan a government program designed to regulate women s bodies and sexuality a consistently surprising page turner a brilliant study of the way social anxieties have historically congealed in state control over

women s bodies and behavior new york times book review nina mccall was one of many women unfairly imprisoned by the united states government throughout the twentieth century tens probably hundreds of thousands of women and girls were locked up usually without due process simply because officials suspected these women were prostitutes carrying stis or just promiscuous this discriminatory program dubbed the american plan lasted from the 1910s into the 1950s implicating a number of luminaries including eleanor roosevelt john d rockefeller jr earl warren and even eliot ness while laying the foundation for the modern system of women s prisons in some places vestiges of the plan lingered into the 1960s and 1970s and the laws that undergirded it remain on the books to this day nina mccall s story provides crucial insight into the lives of countless other women incarcerated under the american plan stern demonstrates the pain and shame felt by these women and details the multitude of mortifications they endured both during and after their internment yet thousands of incarcerated women rioted fought back against their oppressors or burned their detention facilities to the ground they jumped out of windows or leapt from moving trains or scaled barbed wire fences in order to escape and as nina mccall did they sued their captors in an age of renewed activism surrounding harassment health care prisons women s rights and the power of the state this virtually lost chapter of our history is vital reading
