are you a mom who does it all this is the book for you it s impossible to deny most moms continue to do way more household work and childcare than most dads working full time raising kids cooking dinner making sure every appointment and activity is lined up and that everyone gets there on time no wonder you re tired but despite all the books and articles lamenting the crushing mental load and emotional labor women bear for their families no one has come up with a plan to actually make things change until now the manager mom epidemic is the first book that not only acknowledges the fact that moms are burning out but shows you how to transfer responsibility for daily tasks from yourself to your partner and also gasp your kids clinical psychologist and child discipline expert thomas w phelan phd explains how we got into this mess in the first place and how we can get out of it through a calm systematic approach to teaching our families how to take initiative and contribute in meaningful ways dr phelan walks you through real life situations and shows you how to step back from the things that are dragging you down for example your maternal identity the things you tell yourself you have to do in order to be a good mom the oppressive trap of chronic supervision our society s curious underestimation of children s capabilities how to eliminate primary childcare with tweens and teens how to manager resistant or traditionalist dads realistic and simple enough to implement in your home right away the manager mom epidemic provides a roadmap for you to take your life back and proves that the happiest families share the work and the fun equally

improving father daughter relationships a guide for women and their dads is essential reading for daughters and their fathers as well as for their families and for therapists this friendly no nonsense book by father daughter relationships expert dr linda nielsen offers women and their dads a step by step guide to improve their relationships and to understand the impact this will have on their well being nielsen encourages us to get to the root of problems instead of dealing with fallout and helps us resolve the conflicts that commonly strain relationships from late adolescence throughout a daughter s adult years showing how we can strengthen bonds by settling issues that divide us her book explores a range of difficult issues from conflicts over money to the daughter s lifestyle or sexual

orientation to her parents divorce and dad s remarriage with quizzes and real life examples to encourage us to examine beliefs that are limiting or complicating the connection between fathers and daughters this guide helps us feel less isolated and enables us to create more joyful honest enriching relationships

many parents are waking up to the fact that parenting is not about controlling their children but about empowering themselves and their children 9 ways to bring out the best in you and your child is about turning power struggles into powerful relationships it is about raising children who are full of spirit and life and about teaching them to be caring human beings maggie reigh teaches that parenting is a matter of the heart combining profound insights with practical ideas reigh shows parents how to raise respectful responsible and resilient children and at the same time add more life and laughter to their children s lives and their own this is a book about raising children full of spirit and life and teaching them to be caring human beings

this book explores a deeply personal aspect of globalization the adoption of asian children by white americans it is based on dozens of interviews with adoptive mothers and adoption social workers nearly two hundred letters and essays written by korean birth mothers who put their children up for adoption and field work at an adoption agency in south korea it also includes analyses and explanations of u s and south korean governments social characteristics and policies regarding adoptions and how relations between nations have affected international adoption the book focuses on whether the commonly held notion that adoptions are to serve children s welfare and their best interests has tended to render gendered aspects of international adoptions invisible factors such as gender inequality social control of women s reproductive power patriarchic family structure and social beliefs concerning womanhood and motherhood that affect international adoptions are revealed in this book the multiple ways in which adoptive birth and foster mothers experience gender oppression from their different social positions of class race and nationality are explored and the interdependencies and inequalities of the motherhoods of these three groups of women are brought to light

the author argues that the women of today have turned the united states into a matriarchate that has uprooted the normal patterns of family living that this is making it increasingly difficult for men to retain their individuality and traditional sexual status and that its consequences have had and continue to have a destructive impact on society as well as on woman herself book jacket

last year anna learned how to be a good friend now that her family has adopted a baby girl from china she wants to learn how to be a good sister but the new year proves challenging when the doctor warns that the baby isn t thriving can anna and her best friends laura and camille create a science project that saves the day in this heartwarming sequel to the year of the book readers will be just as

moved by anna s devotion to her new sister as they will be inspired by her loving family and lasting friendships

zeke s parents have split up his dad is hurt and angry when zeke sides with his mother but zeke s emotions go on a crazy roller coaster ride when he s visited by a mysterious kid that only he can see until he finds out his grandpa can also see the ghost zeke s world is rocked in new ways when he finds out that he can see and talk to the dead hi lo chapter books for children this series of short novels was designed to engage a broad spectrum of struggling readers no longer will upper elementary students have to read material junior to their maturity and interests characters are age appropriate and come from diverse cultures and backgrounds science fiction sports paranormal realistic life historical fiction and fantasy are just a few of the many genres books are no higher than a 1 5 reading level with illustrations on every spread that support visual literacy and draw kids into the text

wisdom for bad days and hard times it used to be you could count on someone else to make important decisions for you but now that you re getting older more and more choices even the hard ones are up to you it isn t always easy to know how to act or what to say whether you re faced with minor hassles like getting a zit before your first date or major crises like a friend s alcohol abuse in this 31 day devotional you ll find stories about teens who are going through the same things you are solid advice to help you make good decisions in tough times space to scribble your thoughts and prayers and things to think and pray about all to help you get to know the god who s right by your side no matter what life brings
