the lives of both tupac shakur 2pac and christopher wallace the notorious b i g are as similar as they are different paradoxically and they will forever be intertwined especially when both their stories will continue to be sold and told dually together throughout the rest of history and eternity and they can only be described as the proverbial yin and yang to one another they were both raised by strong black mothers tupac was raised by the very wise and intelligent afeni shakur while christopher biggie smalls was reared by the very loving and affectionate violetta wallace both of their mothers were intricate and central parts of their lives upbringings and musical careers and afeni and violetta were

both left behind to pick up the pieces of their son's musical businesses careers as well as their legacies after they were tragically murdered in the streets by their assailants. Afeni and Voletta are two more grieving mothers of young black men who were victims of high profile murders that both have yet to be solved as closed cold cases and also in the court of public opinion. 2pac and Biggie Smalls both grew up in poverty situations. Biggie had it a little bit better being that his mother was well educated and she ended up becoming a school teacher. 2pac experienced a very different struggle growing up and being raised in the black panther community although they were poor. Afeni and 2pac were both well educated and highly intelligent beings. The music industry can turn best friends into enemies. Sadly, 2pac and Biggie didn't get the chance or opportunity to get things right between the two of them before both of their untimely deaths, destructions, and demises. Neither one of them had their fathers in their lives to teach them how to be men and settle their differences and opinions like gentlemen. Biggie did have the chance and opportunity to experience fatherhood for himself and if he had some more time, I believe that him and Tupac would have eventually squashed their media driven and musical industry differences. They are both hip hop legends and they will both continue to inspire and influence the masses as well as the rap music industry culture future and community. 2pac and Biggie Smalls both believed that they would suffer untimely deaths and demises at a very young age and both of their predictions, projections, and prophetic intuitions ended up becoming a very tragic reality.

A comprehensive overview of America's vast poetic heritage, three centuries of American poetry features the work of some 150 of our nation's finest writers. It includes selections from Anne Bradstreet, Ralph Waldo Emerson, Henry Wadsworth Longfellow, Emily Dickinson, Edgar Allan Poe, Walt Whitman, T.S. Eliot, Ezra Pound, William Carlos Williams, E.E. Cummings, Wallace Stevens, Robert Frost, and Gertrude Stein, as well as significant works of lesser known American poets from the Revolutionary and Civil Wars to the Romantic era and the Gilded and Modern Ages. This unrivaled anthology also presents a memorable array of rare ballads, songs, hymns, spirituals, and carols that echo through our nation's history. Highlights include Native American poems, African American writings, and the works of Quakers, colonists, Huguenots, Transcendentalists, scholars, slaves, politicians, journalists, and clergymen. These discerning selections demonstrate that the American canon of poetry is as diverse as the nation itself and constantly evolving as we pass through time. Most important, this collection strongly reflects the peerless stylings that mark the American poetic experience. As unique here in one distinguished volume are the many voices of the new world.
