upper big branch ubb mine disaster to disclose the dark truth in this daring exposé don blankenship reveals how far the government will go to keep its dirty secrets even if it means disparaging deceased miners and sending innocent americans to prison using government documents witness testimony and science blankenship pieces together the obama biden administration s responsibility for the explosion blankenship explains how the government used prevarication lies and document destruction to bury the truth blankenship calls the american media pinocchio and backs it up blankenship demonstrates that america s elite america s media and america s doj hid the ubb truth and says they all have blood on their hands an unflinching look at corruption in america obama s deadliest cover up issues a dire warning our government will do anything to get what it wants

research appears to show that over the greater span of american history a number of significant breakthroughs in energy generation and propulsion have occurred that have been systematically suppressed for example nikola tesla discovered zero point energy in 1902 but the government suppressed the technology since then 5 000 patents on technology of this kind have been legally confiscated in doing this our government has committed possibly the greatest injustice against humanity ever if tesla s discovery of zero point energy had become common knowledge back in the 1900s and the technology had been developed and put into widespread use we could have had virtually free unlimited non polluting energy for nearly 120 years we have the technological ability to replace fossil fuel internal combustion and nuclear power generating systems with advanced non polluting electromagnetic and electrogravity systems
