a thought provoking look at the big business and immoral practices behind professional sports by acclaimed sportswriter dave zirin hailed as the conscience of american sportswriting the washington post the fastest growing sector of today s sports audience is the alienated fan complaints abound from inflated ticket prices 6 hot dogs and 9 beers to owners endlessly demanding new multimillion dollar stadiums funded by public tax dollars those sitting in the owners boxes are increasingly placing profit over players performances and fan loyalty bad sports cuts through the hype and bombast to zero in on tales of abusive dictatorial owners who move their teams thousands of miles away from their fan base use their stadiums as religious and political platforms or hold communities ransom for millions of dollars of taxpayer money to fund their gargantuan stadiums as the multibillion dollar sports industrial complex continues to lumber along dave zirin is the voice in the wilderness speaking out for the common fan with a tough passionate and intelligent voice that will remind readers that there is more to sportswriting than glowing athlete profiles

in 1981 donald sterling became the owner of the san diego clippers an ownership that would prove troublesome for the national basketball association nba during his 33 years as an owner of the clippers sterling had four major lawsuits for racial discrimination filed against him and was accused of running the organization with the vision of a southern plantation

type structure on april 25 2014 the allegations of racist behavior were taken to a new level when sterling was recorded by his girlfriend v stiviano proclaiming racist statements toward minorities the audio recording was put online for the world to hear mere hours after the conversation leading to extensive public backlash sterling s comments ultimately led to his demise in the nba as nba commissioner adam silver announced 4 days after the incident that sterling received a 2 5 million fine and was banned from the clippers organization and the nba for life given the immediacy of the spreading of information on the incident the nba and commissioner silver knew they had to manage the crisis as swiftly as possible this case examines sterling s involvement with the nba his history with racism and the nba s responses to the leaked recording multiple models for crisis management and decision making are discussed to help readers develop their own plan for working through organizational crises

the oxford handbook of american sports law is a timely and engaging compilation of commentaries by leading experts on the most significant issues in us sports law the book blends analysis of historical and contemporary controversies with prescriptions for how courts and lawmakers can reconcile the competing interests of leagues owners and players the handbook also establishes a foundation for future research on sports law issues as technology and social media alter the ways fans athletes and team officials interact legal doctrine will be challenged to adapt and the handbook both forecasts these debates and outlines where the law may be headed

in a surveillance culture the ubiquity of audio visual recording devices has enabled the unprecedented documentation of private indiscretions scandalous conversations and obscene behaviors performed by both ordinary and high profile people from former president donald j trump s lewd banter on the infamous access hollywood video and leaked audio of celebrity racist tirades to outburst of violent hate speech posted daily to youtube contemporary media culture is awash in obscene performances of transgressive white

masculinity such exposés are screened and viewed under the assumption that revealing secret prejudices will necessarily realize the promises of democracy and bring about a postracial and postfeminist future this book addresses why the culture of public revelations has failed to hold the perpetrators accountable caught on tape illustrates how public revelations constitute a symbolic and imaginary world for the public that is preoccupied with the obscene enjoyment of transgressive white masculinity a compulsively repetitive experience of ecstatic and excessive pleasure in pain that arises from encounters with that which disturbs traumatizes and interrupts illusory notions of our coherent selves and reality caught on tape argues that addressing race and gender inequality with the promise of scandalous hot mics and obscene private videos transforms antiracism and gender justice into disempowering forms of spectatorship that ultimately conceal the structural nature of whiteness white supremacy and patriarchy the central argument of this book is that the spectators are the ones really caught on tape

bryant t jordan examines not only the exact words of donald sterling in the infamous tmz and deadspin recordings but those of celebrities such as shaquille o neal and magic johnson as well as the public s reaction to such words he even explores the nba s condemnation of such words the punishment handed down to sterling and whether or not such punishment truly fit the crime jordan raises important questions such as did the media leave out important information that would have painted sterling in a different light in favor of creating ratings nirvana are politically incorrect words worthy of a far worse punishment than actual criminal actions like assault rape and even murder jordan neither justifies racism nor ignorantly condemns a single individual without first actually examining what that individual said simply put this book is a thought provoking breath of fresh air and a must read for sports fans fans of freedom of speech and just plain free thinking people everywhere

over seventy five million americans listen to podcasts every month and the average weekly

listener spends over six hours tuning into podcasts from the more than thirty million podcast episodes currently available yet despite the excitement over podcasting the sounds of podcasting's nascent history are vulnerable and they remain mystifyingly difficult to research and preserve podcast feeds end abruptly cease to be maintained or become housed in proprietary databases which are difficult to search with any rigor podcasts might seem to be highly available everywhere but it's necessary to preserve and analyze these resources now or scholars will find themselves writing researching and thinking about a past they can't fully see or hear this collection gathers the expertise of leading and emerging scholars in podcasting and digital audio in order to take stock of podcasting's recent history and imagine future directions for the format essays trace some of the less amplified histories of the format and offer discussions of some of the hurdles podcasting faces nearly twenty years into its existence using their experiences building and using the podcastre database one of the largest publicly accessible databases for searching and researching podcasts the volume editors and contributors reflect on how they as media historians and cultural researchers can best preserve podcasting's booming audio cultures and the countless voices and perspectives podcasting adds to our collective soundscape

this work is a welcome compilation that will be of use to anyone interested in the impact of race in sports and on society as a whole booklist this all in one resource provides a wide ranging overview of the history of race relations in american sports from the nation's decades of segregation to today's thoroughly integrated teams and sports it explores the history of minority involvement in sports at every level the barriers broken the stereotypes that have been shattered and the challenges that many athletes of color still face the volume opens by providing extensive background on the topic of race and sports in american history before moving on to an extended discussion of specific controversies problems and events related to race and sports essays from a range of perspectives on the intersection of sports and race are featured as well as biographical profiles of notable

individuals and organizations from colin kaepernick to simone biles other features include a detailed chronology of events an annotated bibliography of sources for further study and a glossary of terms

in the bestselling tradition of their baseball and football hall of shame books nash and zullo sharpen their pens to capture the daffiest dunks the crummiest calls the flakiest fans and the most pitiful plays in hoops history just in time for the start of the basketball season and the sport s 100th birthday

with over 300 player profiles year by year records rosters schedules college draft reports and more than 300 photographs this handbook is the definitive way for any sports fan to kick off the hoops season features bernard king s incredible odyssey the nba s olympic invasion pat riley s tv adventure and more
