p funk keyboardist daniel bedrosian brings to life the recording and musical activity of parliament funkadelic in 1975 an epoch making year marked by the release of three seminal albums chocolate city let s take it to the stage and mothership connection by the end of it george clinton and p funk were catapulted into superstardom becoming a massive platinum success with multiple hit singles incorporating exclusive insights and memories from significant p funk members including clinton himself the book investigates how p funk evolved throughout the year and eventually crystallized a unique sound most associated with the group bedrosian pulls back the curtain on these three albums revealing important details of production styles artistic processes musical influences themes historical importance and so much more he also dives into major p funk lore and political and social influences during this time including clinton s afrofuturism at the beginning of 1975 chocolate city as a tribute to washington d c saw george clinton putting black people in the white

house by the end of the year mothership connection much more a movement than an album saw him launching black people into space solidifying the band s music as its own subgenre and laying down the foundation for many different types of popular music including hip hop

honorable mention for the 2022 ssemwg book award sex gender and illegitimacy in the castilian noble family 1400 1600 looks at illegitimacy across the fifteenth and sixteenth centuries and analyzes its implications for gender and family structure in the spanish nobility a class whose actions structure and power had immense implications for the future of the country and empire grace e coolidge demonstrates that women and men were able to challenge traditional honor codes repair damaged reputations and manipulate ideals of marriage and sexuality to encompass extramarital sexuality and the nearly constant presence of illegitimate children this flexibility and creativity in their sexual lives enabled members of the nobility to repair strengthen and maintain their otherwise fragile concept of dynasty and lineage using illegitimate children and their mothers to successfully project the noble dynasty into the future even in an age of rampant infant mortality that contributed to the frequent absence of male heirs while benefiting the nobility as a whole the presence of illegitimate children could also be disruptive to the inheritance process and the entire system privileged noblemen and their aims and goals over the lives of women and children this book enriches our understanding of the complex households and families of the spanish nobility challenging traditional images of a strict patriarchal system by uncovering the hidden lives that made that system function

bainton prize for history and theology honorable mention deza and its moriscos addresses an incongruity in early modern spanish historiography a growing awareness of the importance played by moriscos in spanish society and culture

alongside a dearth of knowledge about individuals or local communities by reassessing key elements in the religious and social history of early modern spain through the experience of the small castilian town of deza patrick j o banion asserts the importance of local history in understanding large scale historical events and challenges scholars to rethink how marginalized people of the past exerted their agency moriscos baptized muslims and their descendants were pressured to convert to christianity at the end of the middle ages but their mass baptisms led to fears about lingering crypto islamic activities many political and religious authorities and many of the moriscos neighbors as well concluded that the conversions had produced false christians between 1609 and 1614 nearly all of spain s moriscos some three hundred thousand individuals were thus expelled from their homeland contrary to the assumptions of many modern scholars rich source materials show the town s morisco minority wielded remarkable social economic and political power drawing deeply on a diverse collection of archival material as well as early printed works this study illuminates internal conflicts external pressures brought to bear by the inquisition the episcopacy and the crown and the possibilities and limitations of negotiated communal life at the dawn of modernity

this work details the seventy year history of the album cover and includes full color photographs
