she animates examines the work of twelve female animation directors in the soviet union and russia who have
long been overlooked by film scholars and historians our approach examines these directors within history
culture and industrial practice in animation in addition to making a case for including these women and their
work in the annals of film and animation history this volume also makes an argument for why their work should
be considered part of the tradition of women s cinema we offer textual analysis that focuses on the changing
attitudes towards both the woman question and feminism by examining the films in light of the emergence and

evolution of a soviet female subjectivity that still informs women s cinema in russia today

at once a royal secretary a poet and a composer guillaume de machaut was one of the most protean and creative figures of the late middle ages rather than focus on a single strand of his remarkable career elizabeth eva leach gives us a book that encompasses all aspects of his work illuminating it in a distinctively interdisciplinary light the author provides a comprehensive picture of machaut s artistry reviews the documentary evidence about his life charts the different agendas pursued by modern scholarly disciplines in their rediscovery and use of specific parts of his output and delineates machaut s own poetic and material presentation of his authorial persona leach treats machaut s central poetic themes of hope fortune and death integrating the aspect of machaut s multimedia art that differentiates him from his contemporaries treatment of similar thematic issues music in restoring the centrality of music in machaut s poetics arguing that his words cannot be truly understood or appreciated without the additional layers of meaning created in their musicalization leach makes a compelling argument that musico literary performance occupied a special place in the courts of fourteenth century france
