nathan leopold seemed to live a charmed life a published polyglot college graduate by the time he was 19 and from a prominent wealthy chicago family so it was a shock to everyone when he and his lover richard loeb confessed to killing their 14 year old neighbor bobby franks for a thrill during the summer of 1924 the world watched in fascinated horror as the pair were defended by the famous clarence darrow in what many labeled the trial of the century there was a massive public outcry when the murderers were spared the death penalty and once they were behind bars most hoped they would never be heard from again 33 years after the murder it seemed that nathan leopold was a changed man in prison he ran a high school and library worked as a nurse and helped find a cure for malaria he was deemed rehabilitated and paroled to a tiny town in the mountains of puerto rico there he got a degree in social work raised funds to build a hospital and advocated for the abolishment of prisons and capital punishment when he died in

1971 there was an outpouring of support for the gentle reformed killer yet his life was not what it seemed 100 years after the murder this groundbreaking new biography uses previously unseen archival collections to look at the full life of nathan leopold and reveal the motivations behind bobby s death and the secrets kept hidden from history

Thank you extremely much for downloading **Arrested**. Maybe you have knowledge that, people have see numerous time for their favorite books gone this Arrested, but stop taking place in harmful downloads.
