quinn o neill is known as quitt at his school for quitting every activity he s ever tried so when he joins the school diving team nobody expects him to stick with it and a bike accident looks like the perfect excuse for yet another failure

die kopiervorlagen grammar modules ergänzen den fortgeschrittenen englischunterricht in schule und erwachsenenbildung jedes modul enthält einen kurztext und verständnisfragen sowie ein worksheet mit Übungen für die gruppen und partnerarbeit

written in blood is an urgent exploration of how disasters happen and how they can be prevented award winning author and physician brodie ramin trained in prevention through his work in primary care and addiction explores how we can scale up preventative strategies and apply them at a societal level from the wreckage of plane crashes and pandemics to nuclear catastrophes industrial accidents and natural disasters through gripping case studies from the notre dame fire to fukushima ramin dissects the human errors systemic failures and overlooked warning signs that lead to catastrophe at its core the book argues that prevention is not only possible but essential we must act before disaster strikes rather than learning only in its aftermath drawing on frameworks like james reason s swiss cheese model of error and insights from high reliability organizations ramin shows how risk compounds when safeguards fail and how layered defenses can save lives he offers a critical intervention by adopting a prevention mindset and overcoming our cognitive biases we can proactively solve problems in our personal lives our organizations and our society before the next crisis unfolds blending history psychology and public policy written in blood is a compelling call to rethink how we manage risk before it s too late

analysing the representation of youth crime and justice involved children in popular fictional films this book explores how what we see on screen contributes to the perceptions of youth justice in society policy and practice putting forward the argument that fictional representations have a real world impact on the opportunities available to children each chapter in the book focuses on a different genre or type of film and considers the ways in which justice involved children have been demonised stereotyped and harmed by their portrayal on the big screen from james dean and the birth of monstrous youth in rebel without a cause to the current more nuanced portrayals as seen in the young offenders the book examines films throughout history and across different cultures in doing so it demonstrates how portrayals of justice involved children have contributed to the social understanding of what youth crime is and who is to blame for it and highlights how we can use this knowledge to better understand and support children by combining youth justice theory with media analysis a popular criminology of youth justice

youth on film makes a novel contribution to both fields and will be of great interest to students and researchers in the areas of youth crime youth justice and the media
