in the past i have spoken very extensively on how the illuminati elite controls the entire entertainment industry and how anyone that dares to speak against their satanic agenda is punished through public media humiliation imprisonment and sometimes death the biggest targets always seem to be successful black comedians known for an unfiltered sense of social humor and repetitive usage of the n word katt williams never held his tongue on the taboo subjects of government control and hollywood s notorious occult circles with katt at his pinnacle suddenly his career begins to take a downward slope for the worst a story seen many times before as this comedian once adored by millions has now

become a media punching bag struck with financial struggles legal trials and rumored insanity however what separates katt williams from most of these abused entertainers is that he was able to recognize who is true enemy was the devil within the past few years katt williams has professed his love and faith in jesus christ which unlike his industry peers gives him the full advantage in warring with the occult unfortunately because of this firm declaration of christ centered truth it also has turned him into a primary target on the illuminati radar
