bobbing alongside margery kempe an illiterate medieval mystic who dictated the first autobiography in english the ragged voice of cry baby mystic finds itself drawn into strange predicaments that are not its own and ferried into abandoned spaces by the gearing of stardom and shame the revolving sentences overheard by the reader a muffled chorus of brechtian aftershocks survive only as traces of sorrow now craved by all who have known it sound gossiping the unsound the excess of the pilgrim a person climbs out and never comes home

hailed as groundbreaking upon its original release the oscar winning film boys don t cry offered the first mainstream access to transmasculine embodiment in north america one that many simultaneously celebrated and rejected more than two decades after its original release the film has become a lightning rod for contemporary debates about the representation of trans lives and deaths on screen representational possibilities for trans people have changed dramatically since

1999 morgan page and chase joynt approach the accumulated tension with a spirit of curiosity about the limits of these historical returns they argue that new visibilities of transness on screen require us to re engage earlier portrayals boys don t cry is central to conversations about casting violence against gender non conforming people and the borders between butch and trans identities acknowledging a younger generation of queer and trans people who are straining against the images foisted upon them including this film s egregious violence and an older cohort for whom it remains a formative if complicated touchstone joynt and page revisit the original contexts of production and distribution to unsettle the overdetermined ways the work has been understood and interpreted boys don t cry ultimately relocates the film in a way that attends to the story s violence and values both on and off screen

this book tells the story of the battle of vertières fought in 1803 between indigenous haitian forces under the leadership of jean jacques dessalines and a french expeditionary army commanded by napoleon the battle marked the culmination of a thirteen year revolutionary struggle to end slavery and the dawn of an independent haiti yet despite its pivotal importance to the history of haiti france and the americas the battle of vertières has been struck from the record the cry of vertières is the first book length study of the battle drawing from an array of sources including military correspondence haitian literature art and popular music the event itself is recounted in vivid detail it is a dramatic story of a volunteer army of former slaves seeking the promises of freedom and citizenship held out by the revolution defeating a colonial power determined to re enslave them the book also examines why the history of the battle has been suppressed in france an act of erasure of a humiliating defeat and why it remains fragile even in haiti jean pierre le glaunec explains that today vertières is both a key lieu de mémoire that embodies reconciliation pride and strength for the haitian people and a figure of speech exploited by politicians to reinforce their power describing a decisive yet largely forgotten moment in the revolutionary history of the americas the cry of vertières makes an essential contribution to the complex subjects of race memory colonialism and cultural nationalism in present day france and haiti

the gospel of christ is a gospel of peace yet christianity has not escaped the specter of religious violence the legacy of the church has not only been one of patient suffering and forgiving love but also of brutal bloodshed with tensions between christians and non christians on the rise in many areas of the world the question of how the church is to respond to religious violence is a pressing one encompassing issues of ecclesiology theology and missiology dr mipo e dadang

explores the contextual realities that have led some believers in northern nigeria to embrace violence as a justifiable response to persecution drawing on extensive interviews he provides an overview of the history of the church in the region the impact of local theologies and traditions on mindsets and behaviors and the insight of local believers into the catalysts and solutions to violent conflict alongside this phenomenological study he provides a powerful biblical and theological foundation for understanding bloodshed as a violation of god s created order he weaves together biblical teachings the example of the early church and the theology of martin luther to demonstrate that the people of god are called to reject prevent and eliminate violence replacing it with creative alternatives this deeply powerful book has implications for every christian seeking to live out the gospel of christ in peaceful co existence with their neighbors

insightfully emotional a poignant purposeful depiction of a family learning to recognize confront and heal internal struggles with self love and self worth children in need of encouragement will find comforting revelations about the value of individuality school library journal starred review riley is inconsolable he can t stop crying and nothing is making him feel better his sister regina tries her best to help him figure out what s wrong but four year old riley isn t sure it s not his tummy or his head or the monsters under the bed regina and their dad try everything they can to make riley smile but nothing works until one day regina has an idea maybe it s riley that is making riley upset regina knows what it feels like to be uncomfortable in her body but she also knows that she s pretty amazing and really good at a lot of things so how can she help riley see that he s pretty amazing and really good at a lot of things a charming story about a child s search for his true self under the compassionate eye of his older sister

from dr schott s 30 years in veterinary practice come over 60 heartwarming funny and adorable stories about angry pelicans bug eyed goldfish and plenty of cats and dogs in the third book in this bestselling series we meet the oddest creatures from an escaped newt to a baby snow leopard but the focus is on the dogs and cats that make up most of a pet vet s day and on the wacky and wonderful people who bring them in dr schott also pulls the curtain back on what it s really like to be a veterinarian do some vet students faint at the sight of blood yes is it easier for vets to bring their own pets in for procedures no did the pandemic change veterinary practice yes and how you will also learn how to bathe a dog why some rats love cats why dr schott is afraid of parrots and a surprising way for a dog to accidentally get drunk and of course you will meet supercat the siamese kitten with the mightiest lungs
