Kizer Gus Van Sant Dana Fitzgerald*

si bonnie et clyde ont inventé le braquage de banque bob et diane eux se sont spécialisés dans le braquage des pharmacies du nord de la côte ouest des usa afin de se fournir en drogues le roman satirique d'une jeunesse en déroute aspirant à l'anarchie et à la défaite des valeurs américaines demander à un toxico pourquoi il se drogue c'est un peu comme demander à une personne normale pourquoi elle aime baiser je suppose que chacun ira de sa réponse des trucs comme Ça me fait du bien ou je ne peux pas m'en empêcher voire Ça fait partie de l'amour ou encore je ne le fais que pour avoir des enfants eh bien un junkie vous donnera à peu près les mêmes réponses à l'exception peut-être de la dernière j'ai encore jamais entendu un camé prétendre qu'il se shootait pour avoir des gosses en revanche le reste oui

the novel that inspired the major motion picture directed by gus van sant bob hughes the offbeat edgy and slightly skewed leader of a crew of traveling junkies describes himself as one of the cleverest and ringiest and most notorious dope fiend drugstore cowboys on the entire west coast including alaska bob his wife diane rick and nadine have a penchant for robbing drugstores and grabbing pills and capsules to support their habit and relieve their boredom it's an all too real examination of the addict's domain the euphoria the paranoia the busts the overdoses the haunting reality of trying to survive your own world but james fogle who based this extraordinary novel on his own experiences and who spent thirty five years of his life in prison has turned their lives into something darkly comic set in portland oregon in the early 1970s drugstore cowboy is a resonating evocation of life at the bottom

and yet by portraying his characters without judgment or glamor fogel has illuminated them his debut novel is a singular work of contemporary fiction

although the drugstore cowboy published in 1927 and unrelated to the movie of the same name has some crime elements including a stolen car and a high speed police chase it is primarily a jazz age tale filmed it would have made a terrific screwball comedy in the right director's hands imagine young actors cary grant and katherine hepburn in the starring roles as you read if you are a fan of woolrich's mysteries this is a worthy addition to his oeuvre showcases elements he would later bring to the fore as a mystery writer

a one of a kind book a wild romp through life this tale is a riotous blend of fact and fiction told by a sarcastic narrator that describes each adventure with a tongue in cheek sneer this isn't just another book on drugs it shows the lives of those willing to risk all to score and often delves into the insane and the comical during the seventies toronto became the wild west and we were drugstore cowboys afraid of nothing searching for something we experimented with everything ignoring the lessons of the past because we were the vanguard of a new age expanding the wisdom of the past with the science of the future opening all we learned about life what's good bad and downright horrid every chapter is a rousing story culminating in an act so outrageous many just shook their heads a real eye opener

in drugstore cowboy backside of the mirror it's 15 years later in the life of bob hughes things are very different for bob he's sober off drugs he goes to his steady job goes to counseling plays golf with det gentry his former nemesis and lives with his mom and mom of course is still very much mom keeping a close watch over him to see that his bed is properly made and socks neatly put away in his dresser then his two ex's woman and partner diane and rick show up on the run from the police she shot in the thigh their lives are thrown into a vortex of turmoil that bob never could have imagined and has little control over

childhood to maturity is a leap often missed and often relived again and again cut to a reader's timeline this new version has zach plodding through disruptive days and equally disorderly nights leaving sirens wailing and narcotic cabinets empty this tale follows the antics of a successful drugstore cowboy showing the influences that have an intense effect on anyone and follows his journey to maturity full of action and abnormality there is humor despair insanity and love a definite timeline that rises and falls depending on the circumstances ultimately a quest from childhood to a normal hood we see a typical suburban upbringing spontaneously interrupted and jerked violently up and down his upbringing rattles a lot of acorns off the trees filling the book quite the cast of nuts a cast

of falstaffian proportions from judges psychologists and police we meet many characters all with their own version of crazy one man s normalacy is another man s insanity the story challenges what defines reality and asks who is egotistical enough to claim total understanding or omniscient enough to impose their opinions on the world these were the best of times they were the worst of times the age of wisdom the age of sorrow a time of lightness a time of darkness reality with adventure and realism you ll love this book educational and entertaining there s always something happening we were invincible untouchable outside the law there was nothing we would not do afraid of nothing searching for something we experimented with everything and ignored the lessons of the past for we were the vanguard of a new age expanding understanding with the science of the future we sought new frontiers of the mind smashing boundaries with drugs new ideas and artificial bravado we were legends in our own minds and a bit delusional must ve been the drugs full of life this satirizes sanity and each page spoofs the sublime this narrative covers both sides of the street and discovers many similarities real truth is padded with lies making it palatable for the average consumer showing everything is under control insert loud guffaw
