update as of october 11 2018 this register of cultivars remains valid and current for genera h to z only for abelia to gymnocladus cultivars please download the updated pdf international register of ornamental plant cultivars woody plants a g from fall 2018 this is the november 2017 register of all new ornamental or landscape tree shrub conifer

and vine cultivar submitted or registered in the open registration of cultivars oroc pronounced oh rock from 2013 to late 2017 oroc was formed to remedy the lack of an worldwide catalog of new cultivars because existing patent trademark and icra agencies barely account for 5 of the available new material by reason patented plants are only those likely to be very popular or from larger firms who can pay the free not collector s items most university items nor smaller nurseries

in several eu member states constitutional courts have reviewed european law on its compatibility with national constitutional law these judgments deal with issues of major importance such as eu democratic legitimacy the protection of fundamental rights and the status of national sovereignty within the eu yet should national courts decide such issues of key constitutional significance for the eu or is it more democratic to leave these matters to political institutions that represent europe s citizens and are politically accountable to them in judging european democracy nik de boer argues that the national courts review of european law can actually constrain democratic debate over the eu s constitutional underpinnings rather than opening up a space for discourse or addressing democratic problems with the eu s decision making process national courts risk taking sides in good faith political disagreements among elected legislators about constitutional questions relating to the eu thus distorting rather than protecting the democratic decision making process judging european democracy uniquely combines constitutional and political theory with an in depth case study of the german constitutional court the eu s most authoritative constitutional court based on an extensive analysis of parliamentary debates eu policy documents and interviews with politicians policymakers and constitutional court judges the case study shows how the german constitutional court has distorted political debate and democracy in the eu scholars practitioners and policymakers involved in political theory political science eu constitutional law and european integration will find this book compelling
