systemic autoinflammatory diseases saids are a growing group of rare disorders caused by dysregulation of the innate immune system leading to episodes of organ specific and systemic inflammation autoinflammation as a distinct disease category was first reported in 1999 as a group of monogenic disorders with resultant activation of the inflammasome and cytokine excess presenting as periodic fever and inflammation in serous membranes since this original description the focus has shifted considerably to the inclusion of complex multifactorial conditions and more than 30 associated genes have been identified disease severity varies from mild to life threatening advances in the understanding of the pathogenetic role of interleukin 1 have opened new promising horizons in the treatment of these patients and significantly altered disease outcome

during my years as a private investigator i came across some interesting people in even more interesting positions this is a collection of just

some of the most compromising positions we were hired to investigate i hope you enjoy these and it makes you think twice before doing what you ve secretly considered doing warning the names and situations in this book have been changed to protect the identities of those involved but there are graphic descriptions that are not appropriate for readers under the age of 18

most people that find themselves in need of the services of a private investigator don t know what to look for or what to expect when they pick up the phone to ask for help when searching for a p i people are usually both vulnerable and skeptical as they are making that call because they ve recently been lied to cheated on and or betrayed in some way this book is for anyone contemplating hiring a private investigator to find out and or prove that their spouse is being unfaithful it will outline the steps you need to take so you are not intimidated by the process you don t need to know anything about investigation that s the investigator s job you just need to take the proper steps to hire the right person for the job this practical guide focuses specifically on issues that relate to hiring a private investigator for an infidelity investigation what to expect from a competent private investigator how much you can expect to pay for an investigation what the process of hiring a p i looks like and how to ensure that the investigator that you hire isn t about to victimize you again the simple goal of this book is to help you distinguish the scam artists who are selling themselves as private investigators from the real investigators in the sometimes confusing world of private investigation this book is illustrated with real life examples of private investigators websites who are routinely ripping off unsuspecting and vulnerable clients also included are several consultation style question and answer sections and a plan of approach chapter to give you the confidence to move forward to the next step whatever that might be calling an investigator on the phone scheduling an in person consultation or perhaps realizing that you don t need to hire a private investigator after all this book is written to be your trusted resource to learn how to choose the best private investigator for you written by a police lieutenant who possesses over 24 years of experience as a police officer and 12 years of experience as a private investigator who has conducted 1 000 s investigations this book serves as an authoritative guide to choosing a top investigator in your geographic area key information is featured on how to do your research how to evaluate an investigator s website what questions to ask him and what to expect when you visit an investigator in person easy to use checklists are also included throughout the book
