this edited collection explores the malleability and influence of body image focusing particularly on how media representation and popular culture s focus on the body exacerbates the crucial social influence these representations can have on audiences perceptions of themselves and others contributors

investigate the cultural context and lived experiences of individuals relationships with their bodies going beyond examination of the thin ideal body type to explore the emerging representations and portrayals of a diverse set of body types across the media spectrum paving the way for future research on this topic scholars of media studies popular culture and health communication will find this book particularly useful

america is fascinated with celebrities from chefs to athletes to television movie and rock stars and even to people who are only famous for being famous this book explores the effect of celebrity on americans public and private lives the contributors examine how celebrities bring about change whether intentionally or unintentionally and whether those changes are good or bad for the public that loves and follows them they also discuss the flattening of celebrity and what the rise of pseudo celebrity portends for a society that accords fame without substantial accomplishment topics explored include health philanthropy activism and celebrity attitudes toward feminism and police brutality all issues that fall under the cultural magnifying glass today recommended for scholars of media studies popular culture and sociology

this book examines contemporary mainstream cultural discourses or stories of obesity the official personal responsibility obesity discourse does not resonate with the populace prompting a number of competing discourses and practices the tensions engaged in these stories reflect contested notions of authenticity reflecting a broader crisis in neoliberalism

argues that expectations for mothering include a new core principle of body work the requirements of good motherhood used to primarily involve the care of children but now contemporary mothers are also pressured to become bikini ready immediately postpartum lynn o brien hallstein analyzes celebrity mom profiles to determine the various ways that they encourage all mothers to engage in body work as the

energizing solution to solve any work life balance struggles they might experience bikini ready moms also considers the ways that maternal body work erases any evidence of mothers contributions both at home and in professional contexts hallstein theorizes possible ways to fuel a necessary mothers revolution while also pointing to initial strategies of resistance bikini ready moms contributes a great deal to understanding both the obsession with celebrity mom profiles and the pressure that mothers are under to conform to and perform intensive mothering as it shifts into another gear to control women fiona joy green author of practicing feminist mothering

check out that baby bump online and print magazines television shows and personal blogs are awash with gossip and speculation about pregnant celebrities what drives our cultural obsession with celebrity baby bumps pregnant with the stars examines the american fascination with and judgment of celebrity pregnancy and exposes how our seemingly innocent interest in baby bumps actually reinforces troubling standards about femininity race and class while increasing the surveillance and regulation of all women in our society this book charts how the american understanding of pregnancy has evolved by examining pop culture coverage of the pregnant celebrity body investigating and comparing the media coverage of pregnant celebrities including jennifer garner angelina jolie beyoncé knowles kristen bell m i a jodie foster and mila kunis renée cramer shows us how women are categorized and defined by their pregnancies their stories provide a paparazzi sized lens through which we can interpret a complex set of social and legal regulations of pregnant women cramer exposes how cultural ideas like the rockin post baby body are not only unattainable they are a means of social control combining cultural and legal analysis pregnant with the stars uncovers a world where pregnant celebrities are governed and controlled alongside the recent and troubling proliferation of restrictive laws aimed at women in the realm of reproductive justice and freedom cramer asks each reader and cultural consumer to recognize that the seeing judging and discussion of the baby bump isn t merely frivolous celebrity gossip it is an

act of surveillance commodification and control

the night that changed everything

there is a lot of bellyaching that goes along with pregnancy this book is no different really pregnant confessions of a new mom to be or why i couldn t stop eating brownies is a book written by a former pregnant woman to other pregnant women even though every pregnancy is different they all do have one thing in common they can sometimes be a pain however within that pain we can sometimes find commonalities that allow us to relate to each other we re all women about to have babies and that s a big deal in and of itself but that doesn t mean we have to take it too seriously because really pregnancy can be kind of funny really pregnant confessions of a new mom to be or why i couldn t stop eating brownies is the pregnancy book to buy if you want a funny look at what really happens once you find yourself pregnant

teresa strasser made her baby a spleen and some eyebrows he got her a book deal everyone loves babies and pregnant women so tv and radio personality teresa strasser decided to use this obsession to her advantage she came up with a way to provide for her newfound family and help other mommies to be with this down and dirty memoir about first time pregnancy an award winning writer teresa is achingly honest about the motherhood she begins experiencing at age thirty eight with a biting sense of humor and heart she portrays the tribulations that come with each trimester from nausea weight gain and bladder infections to dealing with those other kinds of pregnant women you know the ones the ones who glow and gloat about it exploiting my baby is a must read for anyone pregnant trying to get pregnant or who is just more crazy than baby crazy hopping on a trail pioneered by such lions as laura ingalls wilder erma bombeck and tori spelling teresa has no problem using her pregnancy childbirth and difficult relationship with her own mother for material it s her blunt and plain spoken approach to

exploiting her family for literary success that sets her apart watch a video

the real life story of gaby rodriguex the teen who faked her pregnancy as part of a sociological experiment

a npr books we love 2021 selection t his book is so much more than a memoir her prose has the power to undo deep set cultural biases about poverty and parenthood new york times book review an activist calls for better support of young families so they can thrive and reflects on her experiences as a black mother and college student fighting for opportunities for herself and her child pregnant girl presents the possibility of a different future for young mothers one of success and stability in the midst of the dismal statistics that dominate the national conversation along with her own story as a young black mother nicole lynn lewis weaves in those of the men and women she s worked with to share a new perspective on how poverty classism and systemic racism impact teen pregnancy and on how effective programs and equitable policies can help teen parents earn college degrees have increased opportunity and create a legacy of educational and career achievements in their families after nicole became pregnant during her senior year in high school she was told that college was no longer a reality a negative outlook often unfairly presented to teen mothers nicole left home and experienced periods of homelessness hunger and poverty despite these obstacles she enrolled at the college of william mary and brought her 3 month old daughter along through her experiences fighting for resources to put herself through college she discovered her true calling and founded her organization generation hope to provide support for teen parents and their children so they can thrive in college and kindergarten driving a 2 generation solution to poverty pregnant girl will inspire young parents faced with similar choices and obstacles that they too can pursue their goals with the right support

no one ever tells you about all of the crap that happens to you when you re pregnant like for example it

s not nine months it s ten long months we are three thirty something women who were fortunate enough to be pregnant at the same time we shared our questions fears humor and experiences through emails which became our lifeline and virtual support group here we share the good the bad and the ugly of our experiences we do not hold back for the squeamish or the faint of heart you need the truth and now we are all social workers with graduate education and we have all worked in the obstetrical units of hospitals for many years along the way we thought it might be helpful to have someone sane weigh in on our hormonal ramblings so we asked dr bob a specialist in high risk pregnancies to help us out but we know that all of this experience is nothing like being pregnant yourself so prop up your cankles rest this book upon your shelf of a belly and check out our email log we made it through the entire experience and lived to tell the tale and you will too

presents advice from celebrity mothers about such aspects of pregnancy and birth as weight gain and loss skin and hair care nutrition wardrobe decisions and decorating a nursery

aux oubliettes le traditionnel livre de bébé des mamans parfaites cédez à l appel nostalgique du cahier d activités de votre enfance car les neufs mois à venir seront votre dernière occasion de faire l enfant mi journal mi livre de jeux mais toujours brutalement honnête et à mourir de rire cet ouvrage est pour les nouvelles mamans qui veulent se détendre rire et réaliser à chaque page qu elles ne sont pas seules c est le cadeau parfait pour les mères en devenir qui ont le sens de l humour
