in the early 1980s it was discovered that hiv the virus that causes aids could be

passed through a mother's milk to her baby almost overnight in the industrialised countries and later in the African countries most ravaged by HIV. Breastfeeding became an endangered practice but in the rush to reduce transmission of HIV everything we already knew about breastfeeding's life-saving effects was overlooked with devastating consequences for mothers and babies. In *HIV and Breastfeeding: The Untold Story*, former IBCLC Pamela Morrison, an acknowledged authority on HIV and breastfeeding, reveals how women in the world's most poverty-stricken areas were persuaded to abandon breastfeeding as part of a short-sighted and deadly policy that led to a humanitarian disaster. The dilemma that breastfeeding, an act of nurturing which confers food, comfort and love, could be at once life-saving yet lethal, has been called the ultimate paradox. This critical account reveals how vital breastfeeding is even in the most difficult of circumstances and examines the lessons that can be learned from the mistakes of the past, which is particularly relevant as we deal with the consequences for mothers and babies of another global pandemic, COVID-19. With detailed information for HIV-positive mothers and their caregivers and success stories from mothers themselves, this book is essential reading for anyone involved in protecting and supporting breastfeeding or with a need for evidence-based information about breastfeeding and HIV.

The book is the who, what, when, where, how and very importantly, why of engineering document control with related metadata management and includes a comprehensive software guide and free access-based DC software tool. Time-limited with examples and drills etc.

Share your home movies or download new software, find safe files to download, create your own and use BitTorrent for business. There's certainly a torrent of interest in BitTorrent, but while it enables you to download all kinds of cool files and to distribute your own creative efforts, it also carries some risks. This book not only shows you how to acquire BitTorrent but also how to use it without picking up worms, viruses and lawsuits. Discover how to select, download and install a BitTorrent client, manage and store files you download, choose software for making movies and audio files, understand the legal risks of file sharing, trim business costs with BitTorrent.
