key selling points nine year old delia learns that she is m@tis after losing one of her mother s special beaded earrings she embarks on a journey to learn about her family s history and culture in order to make things right delia learns traditional m@tis beadwork and expresses her new knowledge through a story shown within the novel this creates opportunities for classroom activities related to the book delia exhibits social emotional learning by learning from her mistakes taking accountability and working to make things right multiple subplots the lost earring delia learning about her culture and delia s story writing are integrated and fully realized author pat lamondin skene grew up in a m@tis family that hid their culture and ancestry stories the grandmother shares with delia in one beaded earring are based on pat s childhood and reflect her own journey to learn the truth about her deep m@tis connections and her indigeneity

a young girl brings home a peacock but he refuses to show off his colorful tail inspired by

the life of flannery o connor in this picture book inspired by the life of flannery o connor a young fan of fowl brings home a peacock to be the king of her collection but he refuses to show off his colorful tail the girl goes to great lengths to encourage the peacock to display his plumage she throws him a party lets him play in the fig tree feeds him flowers and stages a parade all to no avail then she finally stumbles on the perfect solution when she introduces the queen of the birds a peahen to her collection the peacock immediately displays his glorious shimmering tail this delightful story full of humor and heart celebrates the legacy of a great american writer includes an author s note about flannery o connor correlates to the common core state standards in english language arts ccss ela literacy rl 2 5 describe the overall structure of a story including describing how the beginning introduces the story and the ending concludes the action

natalie has never been a fast runner she s only on the track team because her sister a varsity runner put in a good word with the coach so natalie s shocked when her speed suddenly increases on her sixteenth birthday soon she can run faster than humanly possible but the more races she wins the more arrogant she becomes with this new attitude taking a toll on her relationship with her best friend on the team as well as her sister natalie must decide if the super speed is really worth it

fully revised second edition since breaking through bias was published in 2016 the metoo movement has exposed just how pervasive sexual harassment is in the workplace the increase in public misogynistic comments has made clear that explicit gender bias is not a thing of the past and stay at home orders and school closings due to covid 19 have brought into even sharper focus the discriminatory impact of the unequal division of child care and household responsibilities between most couples in this second edition of breaking through bias the authors kramer and harris explain how these recent developments fit into a larger pattern of implicit or unconscious gender bias that imposes serious obstacles to women s career advancement they argue persuasively however that while this bias is the result of deeply rooted gender stereotypes women can avoid or overcome its discriminatory consequences by the effective use of attuned gender communication to manage the impressions other people have of them kramer and harris illustrate the use of attuned gender communication in each of the contexts in which gender bias manifests itself negative bias women are not as talented as men benevolent bias women need men s support age bias older women are not effective workers motherhood bias women with children are not committed to their careers and self limiting bias women believing themselves not suited for particular roles drawing on decades of experience supervising training evaluating mentoring and sponsoring thousands of women as well as exhaustive social science research kramer and harris present in this updated and fully revised second edition unique practical and highly effective advice women can use to break through bias and achieve the career success they desire and deserve

on a summer morning in canberra sue phillips gave birth for the fourth time sue s husband was by her side along with lily the baby s genetic mother labor was brief but excruciating and only minutes afterwards sue wrapped the newborn in a blanket and handed her over to

lily what does it take to carry someone else's child what does it feel like to give her up motivated by a strong desire to help sue first approached lily after hearing about her health problems from a mutual friend facing a childless future lily and her husband were ecstatic but sue's surrogacy commitment was only the first step in a long often difficult journey for both couples someone else's child is the story of sue's experience as a gestational carrier at the age of thirty nine with a family of her own when surrogacy in australia is still rare and commercial surrogacy illegal in her own words sue describes the emotional highs and lows bureaucratic hurdles physical challenges family pressures legal confusion and social scrutiny that followed her decision to become a surrogate someone else's child is a unique personal account of what it means to give the gift of life
