fourth maccabees is a superbly crafted oration that presents a case for the jewish way of life couched almost entirely in terms of greek ethical ideals using an expansion upon previous scriptural narratives as an opportunity for philosophical exposition its author delights in the torah the law of moses as the divinely given path to becoming our best selves now moreover drawing upon greek logic tradition he develops an elaborate rationalisation of that law based upon the promise of eternal life with god in this collection of essays spanning two decades of study david desilva examines the formative training that produced such an author the rhetorical craft present in his work and the author s creative use of both jewish and greek literary resources finally he demonstrates the book s enduring message and legacy in the christian church from theological influence on origen to textual relations within codex sinaiticus

find independence and financial freedom from one of the simplest home businesses you can start from scratch or less learn tips and tricks to make self publishing pay well i fell into this by accident there i was writing away only to find that i made more money publishing other people s stuff than i did with my own this journey led me into working out the details and shortcuts which made it all simple meanwhile i started making enough income to cover all my bills surprise surprise you get the benefits in this how publishing books help you earn recurring income from work you do just once simple ways to have the freedom you never get from working for someone else find peace of mind by becoming your own boss discover the joy of only working with bestselling authors who are now working for you literally make money while you sleep from countries you ve never visited by people you ve never met before get your copy now

ultramod s book is intended for playwrights who are not satisfied with being the anonymous figures behind stage plays relegated to a paragraph or two in a playbill while institutional theaters take a lion s share of the publicity he makes the case that a playwright s career is dependent on the playwright building their own audience making use of both traditional public relations and innovative web techniques including using social media such as twitter and facebook ultramod s approach is decidedly outre he feels that playwrights are the pop stars of the theater world and should be promoted as such but within his breezy diy punk approach are real tools for attracting the attention of the press and connecting with an audience ultramod draws on decades of experience in theater and in the media to offer readers a wild and witty crash course in press relations web content creation audience development and how to make public misbehavior as entertaining as possible

much has been written about policy efforts to achieve health in all policies an ambitious attempt to improve population health and reduce health inequalities by ensuring multiple policy areas are more attuned to their health impacts however most accounts focus on technical challenges such as implementing impact assessments in contrast and focusing on the european union this book argues that health in all policies is essentially a political project shaped by institutional power competing ideas and discourses we can only really understand the failure to realise its ambition through political analysis
