the tales in this annotated collection share three common characteristics they were written
in the early twentieth century during the so called silver age a period of artistic
renaissance in russia and an important part of the larger european belle Époque their
action takes place in st petersburg one of the most beautiful cities in the world and a

splendid imperial capital which in addition to being the cradle of modern russian culture became its major subject and theme and finally all of them belong to the mystical or fantastic genres the centerpiece of the collection alexander ivanov s stereoscope 1909 a forgotten gem of fantastic literature and a pioneering museum adventure tale is also an early example of fiction about photography none of these stories have been published in english before
