in early 1968 more than 27 000 teachers across florida mailed their resignation letters initiating the country s first statewide teachers strike the striking teachers fought for and won a monumental victory improving education in the state and gaining collective bargaining rights for all public sector employees even as the influence of industrial labor unions decreased across the country the florida teachers strike and the spirit of teacher militancy that swept the nation during the late 1960s and 1970s demonstrate that a vibrant labor movement remained jody baxter noll s study
