comics queer history gender and sexuality theory memory studies graphic medicine genre studies biography and more and speaks to the diversity of publishing forms and media that shape queer comics and their reading communities chapters trace the connections of lgbtq comics from the panel strip comic book graphic novel anthology and graphic memoir to their queer readership the lgbtq history they make visible the often still quite fragile lgbtq distribution networks the coded queer intelligence they deploy and the community sustaining energy and optimism they conjure above all the lgbtq comics studies reader highlights the efficacy of lgbtq comics as a kind of common ground for creators and readers

based in the agrarian world of commercial sesame farming in northern paraguay forecasts tells a story about what happens when global insurance companies promise financial safety nets to local farmers struggling with the effects of climate change this striking graphic novel brings together original ethnographic research and paraguayan gothic art to confront the limitations of finance to respond to a deteriorating environment taking a human centered approach to complex weather and financial models forecasts offers new ways of looking at overlapping speculative futures in a more than human landscape based on more than a year of fieldwork in paraguay the book follows one man s possible journeys through a season of planting and harvesting buffeted by losses and sustained by the hope that he can cultivate conditions that will help his family thrive forecasts makes a sweeping account of environmental and financial risk accessible through the intimate story of one family s triumphs heartbreaks and hopes for the future

shaolin brew race comics and the evolution of the superhero looks at how the comic book industry developed from a white perspective and how minority characters were and are viewed through a stereotypical white gaze further the book explores how voices of color have launched a shift in the industry taking nonwhite characters who were originally viewed through a white lens and situating them outside the framework of whiteness

the financial success of blaxploitation and kung fu films in the early 1970s led to major comics publishers creating for the first time black and asian superhero characters who headlined their own comics the introduction of black and asian main characters who previously only served as guest stars or sidekicks launched a new kind of engagement between comics companies and minority characters and readers however scripted as they were by white writers these characters were mired in stereotypes author troy d smith focuses on asian black and latinx representation in the comic industry and how it has evolved over the years smith explores topics that include orientalism whitewashing black respectability politics the model minority myth and political controversies facing fandoms in particular smith examines how fans take the superheroes they grew up with such as luke cage black lightning and shang chi and turn them into the characters they wished they had as children shaolin brew delves into the efforts of fans of color who urged creators to make these characters more realistic this refining process increased as more writers and artists of color broke into the industry bringing their own perspectives to the characters as many of these characters transitioned from page to screen a new generation of writers artists and readers have cooperated to evolve one dimensional stereotypes into multifaceted dynamic heroes

in march 1945 at the end of the second world war hundreds of unarmed albanian recruits were massacred by yugoslav partisans for too long the memory of this massacre in tivari a coastal town in montenegro was suppressed by the yugoslav state and kept alive in kosovo only in informal versions nurtured and retold in a spirit of ethnic mistrust and hatred depicted in graphic format the long winter of 1945 presents an oral history of this traumatic event based on interviews with surviving participants archival documents and historical research provide context placing the massacre in the broader setting of forced mass mobilization to fight as well as the last pocket of italian resistance the long winter of 1945 situates the events in tivari into the broader context of yugoslavia's war for liberation and the civil war between serbs and albanians bringing this traumatic
