a fortnightly bulletin on financial and political trends

master s thesis from the year 2013 in the subject law miscellaneous grade 1 7 course master of international and european public law language english abstract historically diplomatic immunity arose out from the respect of the messengers who carry the message of their ruler or sovereign to declare war conclude peace or about other important national issues what is the appropriate scope of diplomatic immunity or whether the diplomatic privileges and immunities are too broad and in what parts they should be limited the answer to this question requires the study of the history theory and practice of the diplomatic privileges and immunities the vienna convention is the vital subject of this work because it codified in details the customary law and the diplomatic practices regarding the diplomatic privileges and immunities this work also analyses some cases explaining how the rules regarding the diplomatic privileges and immunities are implementing in practice

sex trafficking is currently a hot news topic but it is not a new problem or just a problem in other countries every year an estimated 300 000 american children are at risk of being lured into the sex trade some as young as eight years old it is thought that up to 90 percent of victims are never rescued stolen is the true story of one survivor who escaped more than once first recruited while staying with her family at a hotel in miami beach katariina rosenblatt was already a lonely and abused young girl who was yearning to be loved she fell into the hands of a confident young woman who pretended friendship but slowly lured her into a child prostitution ring for years afterward a cycle of false friendship threats drugs and violence kept her trapped as kat shares her harrowing experiences readers will quickly realize the frightening truth that these terrible things could have happened to any child a neighbor a niece a friend a sister a daughter but beyond that they will see that there is real hope for the victims of sex trafficking stolen is more than a warning it is a celebration of survival that will inspire

global estimates of human trafficking range from 600 000 to four million victims each year with the majority being victims of sex trafficking this strikingly large range belies the difficulty in gathering defining and accountability of sex trafficking data victims of sex trafficking may be forced into pornography prostitution for the military or militia spousal prostitution and prostitution for the sex tourism industry in response to the problem of sex trafficking many nations have either misunderstood the definition or failed to comprehend the magnitude that have occurs within their borders the united nations has defined human trafficking as the recruitment transfer harboring or receipt of persons by threat or use of force similarly the u s state department s trafficking victims protection act 2000 describes severe forms of trafficking as a sex trafficking in which a commercial sex act is induced by force fraud or coercion or in which the

person induced to perform such an act has not attained 18 years of age or b the recruitment harboring transportation provision or obtaining of a person for labor or services through the use of force fraud or coercion for the purpose of subjection to involuntary servitude peonage debt bondage or slavery in sex trafficking a global perspective sex trafficking is discussed in terms of its multiple purposes and its victims the essays provide information to build upon the limited knowledge base on the subject of sex trafficking and the legislative responses to human trafficking by the various highlighted countries this collection is unique because it serves the needs of those studying human trafficking from a global perspective by targeting the issue within every geographic region it provides a general profile of geographic regions in terms of demographic characteristics and political conditions that may support the growth of sex trafficking and it is written on a basic information supply level to provide readers with a fo

targeted at small and medium sized ngos provides practical information gathered from local practitioners in africa asia latin america and the caribbean and from international organisations and networks considers the very large group of child workers whose situation is potentially a worst form of child labour resembling slavery gives advice on how to reach these children and deal with rescue rehabilitation and reintegration how to assess their needs and how to deal with institution and capacity building
