feeling overwhelmed constantly on a daily basis has unfortunately become the status quo among educators but it doesn't have to be schools need to stop adding more programs strategies activities resources projects assessments and meetings though they are often implemented with the best intentions these things ultimately end up as clutter that which inhibits our ability to help students learn instead teachers need more clarity which emerges when we prioritize our efforts to do less with greater focus this isn't simply a matter of teachers doing less rather teachers need to be intentional and prioritize their efforts to develop deeper understanding among students in teaching with clarity tony frontier focuses on three fundamental questions to help reduce curricular and organizational clutter in the interest of

clarity and focus what does it mean to understand what is most important to understand how do we prioritize our strategic effort to help students understand what is most important by prioritizing clear success criteria intentional design meaningful feedback and a shared purpose teachers can begin to clear away the curricular clutter that overwhelms the profession and embrace the clarity that emerges

the helicopter changed war forever this book examines the range of duties helicopter pilots carried out in vietnam from air lift med evac and fire support to landing in high volume crossfires in hot lzs protected by little more than an armoured seat operating in terrible conditions and flying long hours these brave men led hard dangerous lives and casualties were high following these pilots from initial deployment through to the deadly thrill of combat in a war zone vietnam veteran gordon l rottman s book is a crucial examination of the pilots who fought so valiantly for their country often unmoved by the politics of the war conflicts at home and other social issues the vietnam helicopter pilots just wanted to fly as the saying went who needs drugs i m already high

there are many ronald reagan biographies and novels pertaining to the life and administration of the former president however there are very few if any that look at a handful of his positions

and policies while relating them to the year 2024 almost four decades since former president reagan was in office just like how reagan himself would do while in office analogies will be made that includes the positions actions and wisdom of other former presidents including abraham lincoln george washington thomas jefferson james madison dwight d eisenhower john f kennedy franklin delano roosevelt theodore roosevelt and calvin coolidge not only will the reader explore how reagan dealt with domestic and foreign affairs including tax reform welfare government spending civil rights dealing with the soviet union and middle east as well as other areas of the world the reader will also see just how similar the world is to the 1980s and how solutions then can be used now along with new ideas that build off of what worked for the gipper along the way the reader will see how a private citizen that can be considered as gen z found his way into politics after not really being interested in it in the first 25 years of his life demonstrating how if you do not do the research on your own you can fall victim to what the mainstream pundits are sharing

the coronavirus disease 2019 covid 19 epidemic has dramatically spread throughout the world which has also caused mental health problems among the public especially vulnerable groups like children and adolescents as a traumatic event the outbreak of covid 19 might increase the prevalence of a series of mental health problems in children and adolescents probably due to social distancing school closures as well as separation from parents and home quarantine the continuing spreading of covid 19 infection as well as vaccine uptake strategies quarantine policies and health services during post epidemic era may also have a long lasting side effect on children and adolescents children and adolescents are in critical periods of neurodevelopment and once they develop mental health problems the long lasting negative influence might span across their lifetime moreover long term multisystem sequelae including neurological and psychiatric systems of covid 19 infection in children also compromise the development of physical and mental wellbeing in adulthood though there have been several

studies on mental health consequences and long term impact on the mental health of children and adolescents caused by covid 19 there is still limited data and more comprehensive studies are needed on this important topic
